RULES OF THE  
WASHINGTON TREE FRUIT RESEARCH COMMISSION

WAC 16-560-010. TIME, PLACE, METHOD FOR PAYMENT AND COLLECTION OF ASSESSMENTS. The following procedure is established for the reporting and paying of assessments levied pursuant to Chapter 129, Laws of 1969:

Regulation No. 1. All dealers, handlers or processors who purchase commercial tree fruit from a producer for sale, processing, or shipment anywhere, shall withhold the assessment due and payable the Washington Tree Fruit Research Commission by producers of such commercial tree fruit -- unless adequate evidence is supplied by such producer that payment of the assessment has been or will have been made directly by himself -- and shall remit such assessment (a) to the Washington State Apple Advertising Commission, when such assessment has been withheld for apples, and such remittance shall be made in the same manner and time as assessments due the said Washington State Apple Advertising Commission for apple advertising assessments; and (b) to the Washington State Fruit Commission, when such assessment has been withheld for any other tree fruit including winter pears, and such remittance shall be made in the same manner and time as assessments due the said Washington State Fruit Commission. The first handler is responsible for payment of the research assessment, but he shall charge the same against the producer, who is finally responsible for such assessment. A producer who transports his own fruit or fruit on consignment to fresh market is deemed to be a first handler.

Regulation No. 2. The Washington State Department of Agriculture may upon request of the Washington Tree Fruit Research Commission collect any or all assessments due and payable to the Washington Tree Fruit Research Commission.

Regulation No. 3. All assessments collected by the Washington State Apple Advertising Commission, the Washington State Fruit Commission and the Washington State Department of Agriculture shall be paid to the Washington Tree Fruit Research Commission within thirty days of such collection.
