I, C. A statement of the facts constituting the emergency is:

The transport of unbagged rapeseed in uncovered or unsealed containers or vehicles can result in the spread of unwanted rapeseed in non-production and/or prohibited areas, adversely affected other crops in the state. It is in the public interest to control the transportation of 1986 crop rapeseed. Permanent regulations could not be put in place prior to harvest. These rules are therefore adopted as emergency rules to take effect upon filing with the code reviser.

(3) Pursuant to the requirements of RCW 34.04.026 that "every agency shall incorporate the most specific, but in no case omit all, of the following language alternatives when adopting or amending rules" fill in statement (a), (b), or (c) as appropriate:
