**(5.2) EMERGENCY RULE ONLY**

Pursuant to RCW 34.05.350 the agency for good cause finds:

- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding: SSB 6096 revises dairy statutes and establishes enforcement criteria based on taking action against new Milk Processing Plant License to protect the public health from milk or milk products which contains harmful bacteria, drugs, pesticides or other deleterious materials and to degrade(not allow sale of products) which do not conform to established standards. We need to get these in place immediately to replace enforcement provisions in previous laws which end 6/9 /94.

(5.3) Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?  
 Yes  No If yes, explain:
