

RULE-MAKING ORDER
(RCW 34.05.360)

CR-103 (7/23/95)

Agency:

WA State Noxious Weed Control Board

- Permanent Rule
- Emergency Rule
- Expedited Repeal

(1) Date of adoption: February 21, 1996

(2) Purpose: The State Noxious Weed Control Board amends the State Noxious Weed List to add species determined to be noxious, to change areas designated for control of some noxious weeds, and to correct errors in common and scientific names and designations. Additions and changes are made to provide for more effective statewide noxious weed control.

(3) Citation of existing rules affected by this order:

- Repealed:
- Amended: WAC 16-750-005, 16-750-011, 16-750-015
- Suspended:

(4) Statutory authority for adoption: 17.10.080 RCW
Other authority:

PERMANENT RULE ONLY

Adopted under notice filed as WSR 95-24-112 on 12-6-95 (date).

Describe any changes other than editing from proposed to adopted version:

One proposed Class A noxious weed was not adopted, the designations of two proposed Class B noxious weeds were narrowed to more accurately reflect infestations. Both changes were the result of public input during the rulemaking process.

EMERGENCY RULE ONLY

Under RCW 34.05.350 the agency for good cause finds:

- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding:

EXPEDITED REPEAL ONLY

Under Preproposal Statement of Inquiry filed as WSR _____ on _____ (date).

(5.3) Any other findings required by other provisions of law as precondition to adoption of effectiveness of rule?

- Yes No If Yes, explain: !7.10 RCW requires the State Noxious Weed Control Board to prepare written findings on any new species added to the noxious weed list. This had been completed for the new species added.

(6) Effective date of rule:
