Trudee Turner
Code Revisers Office
WAC Editor - MS 40551

Dear Trudee,

The Washington State Department of Agriculture's Lab Services wished to change the name of an existing WAC. The WAC chapter in question is **16-484, Narcissus Bulb Nematode**. WSDA would like this WAC chapter named **Potato Virus Y - N Quarantine**.

If you have any questions, feel free to call or e-mail me. Thank you for your assistance.

A handwritten signature in cursive script that reads "Fred Bodine".
