NEW SECTION

WAC 132H-160-094 TUITION AND FEE WAIVERS FOR BELLEVUE COMMUNITY COLLEGE ANNUALLY-CONTRACTED FACULTY. Pursuant to the authority granted by Chapter 82, Laws of 1979, Bellevue Community College is authorized to and may waive tuition, operating and services and activities fees for annually-contracted faculty enrolled in courses at the college under the following conditions: (1) Enrollment shall be on a space-available basis after opportunity has been given for other students to register for courses offered by the college. Employee registration for classes shall follow the last regularly scheduled non-matriculated student registration.

(2) No new or additional courses or course sections shall be created for the purpose of accommodating enrollments of students enrolled on the basis of waivers under this section.

(3) Enrollment information on employees enrolled on a space-available basis shall be maintained separately from other enrollment information and shall not be included in official enrollment reports, nor shall persons enrolled pursuant to the provisions of this section be considered in any enrollment statistics which would affect budgetary determinations.

(4) Computations of enrollment levels, student-faculty ratio, or other similar enrollment related statistics must exclude student credit hours generated by enrollments for which waivers have been granted under this section.

(5) Employees enrolling on a space-available basis shall be charged a registration fee of five dollars per class plus any lab fees that may be associated with the class.

(6) The college may enroll full-time cooperative extension service and agricultural research employees of Washington State University if such employees are stationed off campus and their work station is situated within College District VIII.

(7) For the purpose of this rule, annually-contracted faculty shall be defined as:

(a) Those annually-contracted faculty paid on the full-time faculty schedule.

(8) Community Service courses and all non-credit workshops and seminars, because they are on a self-support basis, shall not be eligible for tuition waivers. An assessment of demand for and financial impact of tuition and fee waivers shall be made this year to determine the feasibility of implementation for those programs. Exceptions may then be possible for some workshops and those will be individually advertised to the college community.
