## AMENDATORY SECTION (Amending WAC 132H-160-260, filed 6-13-81)

WAC 132H-160-260 ADMISSION OF FOREIGN STUDENTS. ~~Foreign students are admitted to Community College District VIII only under matriculated student status. In order to qualify for matriculated student status foreign students must adhere to the following conditions:~~

~~(1) Applicants must also have on file translated copies of all secondary school scholastic records.~~

~~(2) Community College District VIII is not prepared to teach English to non-English speaking students. Therefore, it is required that all foreign students take the TOEFL (Test of English as a Foreign Language) examination and achieve the institutional acceptable score. More information about TOEFL may be obtained by corresponding with the Educational Testing Service, Princeton, New Jersey 08640. E.T.S. will forward the test results to the college.~~

~~(3) Foreign students must also provide the college with a Declaration and Certification of Finances or a notarized Affidavit of Support. Estimated expenses for a school year at Community College District VIII are \$2,000. Students unable to provide proof of financial responsibility will not be accepted. The college currently does not have funds available to provide financial assistance to foreign students.~~

~~(4) Students are also required to provide the college with the name of a local United States citizen who is their sponsor while in the United States.~~

~~Presently, Community College District VIII is not able to admit all foreign students applying for admission. It is suggested that fall quarter is the most opportune time for gaining acceptance, and students should therefore file an application accordingly. Fall quarter applications are accepted on December first of the previous calendar year. Bellevue Community College is authorized under federal law to enroll nonimmigrant aliens. Foreign students are admitted in a selective procedure each quarter.~~
