GENERAL CONDUCT

WAC

132H-121-010 Smoking

NEW SECTION

WAC 132H-121-010 Smoking. It shall be the policy of Bellevue Community college, consistent with its efforts to promote wellness, fitness, and a campus environment conducive to work, study, and activities for staff, students, and the public, to maintain a smoke/tobacco free indoor campus environment. Use of tobacco products is permitted on campus outside of the buildings; smoking in covered walkways surrounding Main and Upper Campuses shall be restricted to designated smoking areas. Receptacles for smoking materials are provided and are required to be used to maintain litter free campus grounds.

The College recognizes the rights of those who choose to use tobacco and as such does not prohibit the use of tobacco products; it does, however, restrict the use of these materials to areas outside college facilities and vehicles.
