WAC 132L-10-040 FREEDOM OF ASSOCIATION AND ORGANIZATION. Students are free to organize and join associations to promote any legal purpose. #### NEW SECTION

WAC 132L-10-050 STUDENT RECORDS. In compliance with the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g and its implementing regulations, 45 C.F.R. § 99, this policy has been created to insure confidentiality of student records at the college and govern the release of personally identifiable information contained within.

(1) Education records. Education records are defined as those records, files, and documents containing information directly pertaining to a student. At South Puget Sound Community College these are:

(a) Records pertaining to admission, advisement, registration, grading and progress to a degree that are maintained by the registrar.

(b) Testing information used for advisement purposes by the counseling center.

(c) Information concerning payment of fees as maintained by the treasurer.

(d) Financial aid information as collected by the financial aid office.

(e) Information regarding students participating in student government or athletics that is maintained by the student programs office.

(2) Access to education records. Students who are or have attended the college have the right to examine or review their personal records, as defined above, by submitting to the registrar a written request indicating education records to which access is desired.

Note: Charges for reproduced copies of education records are found in the current catalog.

(3) Directory information. The following information is considered "directory information" and thus may be disclosed without consent of the student, unless otherwise directed by the student, at any time, to the registrar in writing: The student's name, address, telephone number, date and place of birth, major field of study, eligibility for and participation in officially recognized activities, organizations, and sports, weight and height of members of athletic teams, dates of attendance, honor roll, degrees and awards received, and the most recent previous educational agency or institution attended by the student.

(4) Disclosure from education records. In addition to directory information the college will, at its discretion, make disclosures from education records of students with the student's prior written consent or to the following listed parties:

(a) College officials including college administrative and clerical staff, faculty, and students where officially elected or appointed to the ASSPSCC senate or employed by the college. Access or release of records to the above is permissible only when the information is required for the advisement, counseling, recordkeeping, reporting, or other legitimate educational interest consonant with their specific duties and responsibilities.

(b) To officials of another school in which the student seeks or intends to enroll.

(c) To authorized federal, state, or local officials as required by law.

(d) In connection with financial aid for which the student has applied or received.

(e) To accrediting organizations, or organizations conducting studies for or on behalf of the institution.

(f) To appropriate parties in a health or safety emergency.

(g) To parents of a dependent student, as defined in section 152 of the Internal Revenue Code of 1954, upon receipt of a written affidavit stating that the student is a dependent for income tax purposes. This, however, will not affect the other rights of the student.

In cases where consent of the student is required for release of education records, the student shall in writing, signed and dated by the student, specify: The records to be disclosed, the purpose or purposes of the disclosure, and the name of the party or parties to whom the disclosure can be made.

When personally identifiable information is released without prior consent of the student, other than directory information and information released to college officials or the student, the college official in charge of these records will record the names of the parties who have requested information from educational records and the nature of the interest in that information.

Education records released to third parties shall be accompanied by a statement indicating that the information cannot be subsequently released in a personally identifiable form to other parties without obtaining the consent of the student. The college is not precluded from permitting third party disclosures to other parties listed in (a) through (g) of this subsection.

(5) Challenge of education records. Students who believe that information contained in their education records is inaccurate, misleading or violates the privacy of other rights of the student may request in writing to the appropriate college official that the college amend their record(s). The college official(s) will make every effort to settle disputes through informal meetings and discussion with the student.

In instances where disputes regarding contents of education records cannot be resolved by the parties concerned, the college official involved shall advise the student of the right to a hearing by the academic standards committee through a written request to the registrar. Should the academic standards committee deem that the education records in question are inaccurate or misleading, the committee can ask that the records be amended by the appropriate college official. If the education records are held to be accurate, the student shall be granted the opportunity to place within those records a personal statement commenting upon the information contained within.

Each eligible student is afforded the right to file a complaint concerning alleged failures by the college to comply with the requirements of the act. The address of the office designated to investigate, process, and review violations and complaints which are filed is:

The Family Educational Rights and Privacy Act Office (FERPA)

The publications board shall be composed of an administrator appointed by the college president, two faculty and three students appointed by the associated student body president.

The student publications policy shall protect the students' freedom to deal with any ideas and to express any opinions in the student publications without fear of their censorship. Editors and managers of student publications are protected from arbitrary suspension and removal. Only for proper and stated causes, as outlined in the statement of purpose or philosophy adopted for each student publication, should editors and managers be subject to removal and then by orderly and prescribed procedures.

At the same time, the student publications policy shall charge the student editors and managers with corollary responsibilities to be governed by the canons of responsible journalism.

NEW SECTION

WAC 132L-10-110 USE OF COLLEGE FACILITIES. Any recognized Associated Students of South Puget Sound Community College organization may request use of available college facilities for authorized activities. Facilities will be provided free of charge to the organization except when such use necessitates staffing and services beyond regular college requirements. Standard college fees will be charged in these cases.

Use of facilities for purposes other than those approved or in an irresponsible manner may result in withdrawal of this privilege for an organization.

NEW SECTION

WAC 132L-10-120 STUDENT COMPLAINTS. The purpose of these procedures is to establish a process where a student may express and resolve misunderstandings, complaints or grievances with any college employee in a fair and equitable manner. This procedure emphasizes an informal resolution.

If the student feels that he/she cannot meet face to face with the employee he/she may directly contact the organizational unit administrator.

(b) If the student determines that a complaint cannot be resolved appropriately with the employee concerned, the student may contact the organizational unit administrator of the employee to facilitate a solution to the grievance.

(c) If a complaint filed with the appropriate organizational unit administrator has not been resolved, the student may proceed with a formal complaint.

(2) Proceeding with a formal complaint:

(a) Office to address: Complaints regarding an instructional employee or policy shall be addressed to the dean of instruction or designee. Complaints regarding an administrative services employee or policy shall be addressed to the dean of administrative services or designee. Complaints regarding student services employees or other college personnel shall be addressed to the dean of students or designee.

If the student should elect to proceed with the formal complaint the student must outline in writing the complaint, identifying dates and persons involved as accurately as possible.

(c) The dean shall also inform the student that the student may ask the dean of students or another person the student chooses to act as an advocate in assisting the student in the completion of the complaint process.

(d) The student's written complaint shall be forwarded to the employee concerned who shall provide a written response within ten instructional days.

(e) If the written response does not resolve the complaint to the satisfaction of the student, the dean shall convene a conference of all the involved parties within ten instructional days to (i) attempt to resolve to the satisfaction of all parties the complaint and/or (ii) hear the issue(s) and take appropriate action(s) to resolve the complaint.

(f) Action taken by the dean, if any, may be appealed to the president.

(c) A student accused of violating any provision of college policy shall be given immediate notification of any disciplinary action taken by the dean of students.

(d) No disciplinary action taken by the dean of students is final unless the student fails to exercise the right of appeal as provided for in these rules.

(4) Student judicial board.

(a) Composition.
