

March 11, 1968

F. L. Esvelt, President
Columbia Basin College
2600 North Chase Street
Pasco, Washington

Dear Sir:

When filing future rules with the Code Reviser, please use Washington Administrative Code numbers. The title designated for the Columbia Basin College is WAC 132S. You may designate chapter and section numbers and they will be used except when duplication appears.

If further information is needed please call 753-6804.

Sincerely,

Mrs. Loma Barmore
Secretary

NON-HIGH SCHOOL GRADUATE ADMITTANCE POLICY

The primary concern of Columbia Basin College is the education and training of high school graduates. It has become necessary for the college to define its posture on the admittance of the non-high school graduate who applies for admission in either or both the regular day program or the extended day program.

It shall be the policy of Columbia Basin College to admit non-high school graduates if they meet either of the following criteria:

- I. A non-high school graduate 18 years or older, not currently enrolled in high school, may be admitted during the day program provided he satisfies entrance requirements as determined by the college. These requirements may include a passing score in the GED test, the Washington Pre-College Test, or a recommendation by the Columbia Basin College counselling staff.
- II. A high school student, currently enrolled in high school, will be accepted in the extended day program under the following conditions:
 - A. Senior standing in the high school is expected. Students not having senior standing will be accepted only with the permission of the college president or his representative.
 - B. The student must provide a letter from the high school principal indicating approval.
 - C. Technical-Vocational Program applicants must have an occupational goal compatible with the training he is to receive.
 - D. Final acceptance will be determined on an individual basis by the college.

In the extended day program preference will be given to post high school students. Therefore, admission will be limited to space available for high school students.
