(5.2) EMERGENCY RULE ONLY

Pursuant to RCW 34.05.350 the agency for good cause finds:

- (a) That immediate adoption, amendment, or repeal of a rule is necessary for the preservation of the public health, safety, or general welfare, and that observing the time requirements of notice and opportunity to comment upon adoption of a permanent rule would be contrary to the public interest.
- (b) That state or federal law or federal rule or a federal deadline for state receipt of federal funds requires immediate adoption of a rule.

Reasons for this finding:

*The colleges NEED a way to deal with underage Admissions because of enrollment pressure being experienced because of younger students completing GED at an earlier age, partly because of home-schooling, etc.*

(5.3) Any other findings required by other provisions of law as precondition to adoption or effectiveness of rule?
