

Talked with Bill Lemper

He said: Under RCW 77.12-150
and -160 this was the
authority under which this order
is effective - So I am
supposed to tell people
this when they call concerning
the order - They need
not have filed with us
but they thought it would
be advantageous and he
also said I am to tell
people this law is in effect
under RCW 77-12-150, 160 should they
call = ^{what} ^{do} ^{they} ^{think}
