AMENDATORY SECTION (Amending Order PL 454, filed 1/25/84)

WAC 196-24-030 RECIPROcity. Reciprocal registration is considered as being applied towards an applicant's original jurisdiction of registration by examination. The (~~Professional-Engineers-Registration Act-provides-that-the~~) board for professional engineers and land surveyors may, upon application, and payment of a fee, issue a certificate without further examination as a professional engineer to any person who holds a certificate of qualification of registration issued to (~~him~~) the applicant following examination by proper authority, of any state, territory or possession of the United States, the District of Columbia, or of any foreign country, provided the following conditions are met:

(1) That the applicant's qualifications meet the requirements of the chapter and the rules established by the board;

(2) That the applicant is in good standing with the licensing agency in said state, territory, possession, district, or foreign country. Good standing shall be defined as a currently valid license in the jurisdiction of original registration or the jurisdiction of most recent practice, if different from the jurisdiction of original registration;

(3) That the said state, territory, possession, district, or foreign country gives like consideration on a reciprocal basis to those persons who have been registered by examination in this state; and

(4) That the license has been granted on the basis of an examination equivalent to that given by the state of Washington.
