Sponsor(s): Senators Thorsness, Rasmussen, McCaslin, Owen, Nelson, Niemi, A. Smith, Conner and von Reichbauer; by request of Department of Corrections

Brief Description: Expediting new prison construction.

**SB 5529 - DIGEST**

Authorizes the temporary use of expedited methods for the award of state construction contracts for correctional facilities.

Authorizes use of the general contractor/construction manager method.

Establishes requirements for the award of subcontracts.

Establishes provisions for projects which are completed for less, or for more, than the maximum allowable construction cost.
