1 AN ACT Relating to pension payments to retired teachers; amending
2 RCW 41.32.570; and creating a new section.

3 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

4 NEW SECTION. **Sec. 1.** The legislature finds that there is a
5 shortage of certificated substitute teachers in many regions of the
6 state, and that this shortage will likely increase in the coming years.
7 The legislature further finds that one method of reducing this shortage
8 of substitute teachers is to encourage retired teachers to serve as
9 substitutes by increasing the number of days they can work without
10 affecting their retirement payments.

11 **Sec. 2.** RCW 41.32.570 and 1989 c 273 s 29 are each amended to read
12 as follows:

13 (1) Any retired teacher who enters service in any public
14 educational institution in Washington state shall cease to receive
15 pension payments while engaged in such service: PROVIDED, That service
16 may be rendered up to seventy-five days per school year without
17 reduction of pension.

1 (2) In addition to the seventy-five days of service permitted under
2 subsection (1) of this section, a retired teacher may also serve only
3 as a substitute teacher for up to an additional fifteen days per school
4 year without reduction of pension if:

5 (a) A school district, which is not a member of a multidistrict
6 substitute cooperative, determines that it has exhausted or can
7 reasonably anticipate that it will exhaust its list of qualified and
8 available substitutes and the school board of the district adopts a
9 resolution to make its substitute teachers who are retired teachers
10 eligible for the additional fifteen days of extended service once the
11 list of qualified and available substitutes has been exhausted. The
12 resolution by the school district shall state that the services of
13 retired teachers are necessary to address the shortage of qualified and
14 available substitutes. The resolution shall be valid only for the
15 school year in which it is adopted. The district shall forward a copy
16 of the resolution with a list of retired teachers who have been
17 employed as substitute teachers to the department and may notify the
18 retired teachers included on the list of their right to take advantage
19 of the provisions of this subsection; or

20 (b) A multidistrict substitute cooperative determines that the
21 school districts have exhausted or can reasonably anticipate that they
22 will exhaust their list of qualified and available substitutes and each
23 of the school boards adopts a resolution to make their substitute
24 teachers who are retired teachers eligible for the extended service
25 once the list of qualified and available substitutes has been
26 exhausted. The resolutions by each of the school districts shall state
27 that the services of retired teachers are necessary to address the
28 shortage of qualified and available substitutes. The resolutions shall
29 be valid only for the school year in which they are adopted. The
30 cooperative shall forward a copy of the resolutions with a list of
31 retired teachers who have been employed as substitute teachers to the
32 department and may notify the retired teachers included on the list of
33 their right to take advantage of the provisions of this subsection.

34 (3) Subsection (1) of this section shall apply to all persons
35 governed by the provisions of plan I, regardless of the date of their
36 retirement, but shall apply only to benefits payable after June 11,
37 1986.

38 (4) Subsection (2) of this section shall apply to all persons
39 governed by the provisions of plan I, regardless of the date of their

1 retirement, but shall only apply to benefits payable after September 1,
2 1994.

Passed the House March 5, 1994.

Passed the Senate March 3, 1994.

Approved by the Governor March 23, 1994.

Filed in Office of Secretary of State March 23, 1994.
