1 AN ACT Relating to creating an inventory system for state-owned or
2 leased facilities; adding a new section to chapter 43.82 RCW; adding
3 new sections to chapter 27.34 RCW; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 43.82 RCW
6 to read as follows:

7 (1) The office of financial management shall develop and maintain
8 an inventory system to account for all owned or leased facilities
9 utilized by state government. At a minimum, the inventory system must
10 include the location, type, and size of each facility. In addition,
11 for owned facilities, the inventory system must include the date and
12 cost of original construction and the cost of any major remodelling or
13 renovation. The system must be developed by January 1, 1994, and the
14 initial inventory must be completed by June 30, 1994. The inventory
15 must be updated by June 30 of each subsequent year.

16 (2) All agencies, departments, boards, commissions, and
17 institutions of the state of Washington shall provide to the office of
18 financial management a complete inventory of owned and leased
19 facilities by May 30, 1994. The inventory must be updated and

1 submitted to the office of financial management by May 30 of each
2 subsequent year. The inventories required under this subsection must
3 be submitted in a standard format prescribed by the office of financial
4 management.

5 (3) For the purposes of this section, "facilities" means buildings
6 and other structures with walls and a roof. "Facilities" does not mean
7 roads, bridges, parking areas, utility systems, and other similar
8 improvements to real property.

9 NEW SECTION. **Sec. 2.** It is the purpose of sections 3 and 4 of
10 this act to give authority to the office of archaeology and historic
11 preservation to identify and record all state-owned facilities to
12 determine which of these facilities may be considered historically
13 significant and to require the office to provide copies of the
14 inventory to departments, agencies, and institutions that have
15 jurisdiction over the buildings and sites listed.

16 NEW SECTION. **Sec. 3.** Unless the context clearly requires
17 otherwise, the following definitions apply throughout section 4 of this
18 act.

19 (1) "Agency" means the state agency, department, or institution
20 that has ownership of historic property.

21 (2) "Historic properties" means those buildings, sites, objects,
22 structures, and districts that are listed in or eligible for listing in
23 the National Register of Historic Places.

24 (3) "Office" means the office of archaeology and historic
25 preservation within the department of community development.

26 NEW SECTION. **Sec. 4.** (1) By January 2, 1994, the office shall
27 provide each agency with a list of the agency's properties currently
28 listed on the National Register of Historic Places. By January 2,
29 1995, agencies that own property shall provide to the office a list of
30 those properties that are either at least fifty years old or that may
31 be eligible for listing in the National Register of Historic Places.
32 If funding is available, the office may provide grants to state
33 agencies to assist in the development of the agency's list. By June
34 30, 1995, the office shall compile and disseminate an inventory of
35 state-owned historic properties.

1 (2) The office shall provide technical information to agency staff
2 involved with the identification of historic properties, including the
3 criteria for facilities to be placed on the National Register of
4 Historic Places.

5 NEW SECTION. **Sec. 5.** Sections 3 and 4 of this act are each added
6 to chapter 27.34 RCW.
