HOUSE COMMITTEE ON EDUCATION

Majority Report: The substitute bill be substituted therefor and the substitute bill do pass. Signed by 19 members: Representatives Brumsickle, Chairman; Elliot, Vice Chairman; Johnson, Vice Chairman; Cole, Ranking Minority Member; Keiser, Assistant Ranking Minority Member; Clements; Fuhrman; Hatfield; Linville; McMahan; Pelesky; Poulsen; Quall; Radcliff; Smith; Talcott; B. Thomas; Thompson and Veloria.

Staff: Cheri Keller (786-7093).

Background: Currently, 293 of the state's 296 school districts elect members of school boards of directors to four-year terms. Three school districts elect members of boards of directors for six-year terms. Those districts are Spokane, Everett, and Tacoma.

Summary of Bill: School district boards of directors that currently have six-year terms of office may reduce the length of the terms of office from six to four years. The reduction in the length of term must not affect the term of office of any incumbent director without his or her consent and provision must be made to stagger future elections of school directors appropriately.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: (On original bill) State-wide uniformity in the length of terms of school district boards of directors is a good idea. Districts effected may not like this, but the people do. People think six-year terms are too long.

Testimony Against: (On original bill) Some districts have six-year terms that are working well. We shouldn't force them to change something that is working.

Testified: Representatives Brumsickle and Regala, prime sponsors; Amy Mann, parent (pro); and Dick Sonntag, parent (pro).
