Signed by 14 members: Representatives Reams, Chairman; Cairnes, Vice Chairman; Goldsmith, Vice Chairman; Rust, Ranking Minority Member; Scott, Assistant Ranking Minority Member; Conway; R. Background: State laws provide for the administration of elections for cities, towns, and districts, including procedures, assignment of responsibilities, and scheduling.

Summary of Bill: The proposed legislation makes several changes relating to election procedures.

The county auditor is given the option of sending a notice confirming a voter's address either to the address indicated on the voter's permanent registration record or to any other address at which the auditor could reasonably expect mail to be received by the voter.

The county auditor is required to call a special election, at the request of the governing body of a city, town, or district and if the request is presented to the

auditor at least 45 days prior to the proposed election date, whether or not an emergency exists. Furthermore, the bill removes the requirement from existing statute that a county must deem an emergency to exist in order to call a county special election.

The filing officer may permit a candidate to withdraw from a city, town, or special district contest at any time before the contest, if no primary is required and if the election ballots have not yet been ordered. If a void in candidacy exists after such a withdrawal, then it is to be handled in the same manner as a lapse of election caused by no filing.

The requirement that a candidate's name shall not appear more than once on a ballot is amended to allow a person to run for precinct committee officer or any temporary office such as charter review board or freeholder, in addition to any position regularly nominated or elected at the same election.

A person loses status as an ongoing absentee voter if he or she is placed on inactive status.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: The bill clarifies what happens if no one files for an office.

Testimony Against: A void in candidacy after a withdrawal should be handled in the same manner as a lapse of election caused by no filing. The state should maintain existing law requiring the auditor to send an application to receive a ballot to all inactive voters for any special election being conducted by mail.

Testified: Representative Dave Schmidt, prime sponsor; and Bob Terwilliger, Snohomish County Auditor.
