SENATE COMMITTEE ON LAW & JUSTICE

Majority Report: Do pass.

Signed by Senators Smith, Chair; Haugen, Johnson, Long, Roach and Schow.

Staff: Dick Armstrong (786-7460)

Background: In a given legislative session, two or more bills may amend the same section of the Revised Code of Washington. When this happens, and neither bill refers to or incorporates the changes from the other, a so-called "double" or "multiple" amendment occurs.

Most often, there is no substantive conflict between the multiple amendments to a section of the code. In such instances, the Code Reviser's Office may suggest corrective legislation in the next session of the Legislature.

Summary of Bill: Various sections of the Revised Code of Washington are reenacted to merge multiple amendments made in the 1994 legislative session.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: The bill is technical in nature and makes no substantive changes.

Testimony Against: None.

Testified: Dennis Cooper, Code Reviser's office.
