SENATE COMMITTEE ON LAW & JUSTICE

Majority Report: Do pass.

Signed by Senators Smith, Chair; Fairley, Vice Chair; Goings, Hargrove, Haugen, Johnson, Long, McCaslin, Quigley and Roach.

Staff: Cynthia Runger (786-7717)

Background: Under the state's firearms law, records of certain transactions involving firearms are maintained by the Department of Licensing (DOL).

Among the records that DOL maintains are applications for concealed pistol licenses, applications for alien firearm licenses, applications to purchase pistols, and records of pistol transfers. Generally, these records are exempt from the public records law and may be released only to law enforcement agencies or the Department of Corrections.

Issuers of pistol or alien firearm licenses and dealers who sell or transfer pistols are required to send copies of the records of these transactions to DOL. Dealers are also required to send copies of records of pistol sales to the local law enforcement agency in the jurisdiction in which the purchaser lives.

Summary of Bill: The authority of DOL to maintain records of applications to purchase pistols and of pistol sales and transfers is removed. Dealers are no longer required to send copies of the records of such transactions to DOL. Copies must still be sent to local law enforcement agencies.

Appropriation: None.

Fiscal Note: Not requested.

Effective Date: Ninety days after adjournment of session in which bill is passed.

Testimony For: This is necessary because the Department of Licensing can't keep up with the paperwork.

Testimony Against: None.

Testified: Rep. Radcliff, prime sponsor.
