Background: Current law requires that for the purchase of alcohol, purchasers must provide one of five acceptable types of officially issued identification as proof of age:

- 5) Merchant Marine ID card issued by U.S. Coast Guard.

No other forms of identification as proof of age are legally allowable for the purchase of alcohol. Nonactive military personnel including reservists, retired personnel and military dependents are prohibited from using their government-issued identification for the purchase of alcohol.

Summary of Substitute Bill: United States armed forces identification cards issued to active duty personnel, reservists, retired personnel and military dependents are allowed as proof of age for the purchase of alcohol.
