### SENATE COMMITTEE ON GOVERNMENT OPERATIONS

**Majority Report:** That Substitute Senate Bill No. 5350 be substituted therefor, and the substitute bill do pass.

Signed by Senators Haugen, Chair; Sheldon, Vice Chair; Drew, Hale, Heavey, McCaslin and Winsley.

**Staff:** Eugene Green (786-7405)

**Background:** In 1994, the Legislature prohibited cities from denying the use of a residential dwelling, located in an area zoned for residential or commercial use, as a family day-care provider's home facility (12 children or less). Counties may still deny this use of a residential dwelling.

The Department of Licensing certifies that a family day-care facility is providing a safe passenger-loading area.

**Summary of Substitute Bill:** Counties may not deny the use of a residential dwelling, located in an area zoned for residential or commercial use, as a family day-care provider's home facility.

Some of the conditions counties are allowed to place on these facilities are: compliance with building, safety, and health codes; building size, setbacks, and the like; certification of a safe loading area by the state Office of Child Care Policy Licensor; signage; and limitation of hours. However, nonstandard hours must be allowed.

**Substitute Bill Compared to Original Bill:** The original bill was not considered.

**Appropriation:** None.

**Fiscal Note:** Not requested.

**Effective Date:** Ninety days after adjournment of session in which bill is passed.

**Testimony For:** This just puts the same conditions on counties as were put on cities last session.

**Testimony Against:** None.

**Testified:** Julie Nelson, WA State Family Child Care Assn. (pro); Karen Treat, DSHS (pro).
