13 effective date.

14 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

15 NEW SECTION. **Sec. 1.** The legislature recognizes that public
16 employees need the ability to make transitions to other private or
17 public sector careers, and that the retirement system should not be a
18 barrier to exercise of employee choice. The legislature also
19 recognizes that public employees need a secure and viable retirement

1 benefit, not only for their own financial protection, but also that
2 public funds are spent prudently for their intended purpose.

3 It is the legislative intent to create a new public retirement
4 system that balances flexibility with stability, provides both
5 increased employee control of investments and responsible protection of
6 the public's investment in employee benefits, and encourages the
7 pursuit of public sector careers without preventing employees from
8 transitioning into other public or private sector employment.

9 Therefore, the purpose of chapter . . . , Laws of 1995 (this act) is
10 to continue to provide public employees with a guaranteed pension at
11 retirement age based on years of public service with an element of
12 inflation protection. It is further the purpose of chapter . . . , Laws
13 of 1995 (this act) to create a parallel retirement plan where employees
14 have options regarding the investment of their retirement contributions
15 and have the opportunity, along with the accompanying risk, to receive
16 a full rate of return on their investments and where employees who
17 leave public employment prior to retirement receive a fair and
18 reasonable value from the retirement system.

19 **PART I**

20 **DEFINED BENEFIT--PERS III**

21 **Sec. 101.** RCW 41.40.005 and 1992 c 72 s 8 are each amended to read
22 as follows:

23 RCW 41.40.010 through ((41.40.112)) 41.40.108 shall apply to
24 members of plan I ((and)), plan II, and plan III.

25 **Sec. 102.** RCW 41.40.010 and 1994 c 298 s 2, 1994 c 247 s 5, 1994
26 c 197 s 23, and 1994 c 177 s 8 are each reenacted and amended to read

25 immediate vicinity of, a specified location; and (ii) the employer
26 requires the member to be prepared to report immediately for work, if

37 considered compensation earnable and the individual shall receive the
38 equivalent service credit;

1 (II) If a leave of absence is taken by an individual for the
2 purpose of serving in the state legislature, the salary which would
3 have been received for the position from which the leave of absence was
4 taken, shall be considered as compensation earnable if the employee's
5 contribution is paid by the employee and the employer's contribution is
6 paid by the employer or employee.

29 compensation earnable, subject to the conditions of this subsection.
30 A member is in standby status when not being paid for time actually
31 worked and only when both of the following conditions exist: (i) The
32 member is required to be present at, or in the immediate vicinity of,
33 a specified location; and (ii) the employer requires the member to be
34 prepared to report immediately for work, if the need arises, although
35 the need may not arise. Standby compensation is regular salary for the

1 (A) Retroactive payments to an individual by an employer on
2 reinstatement of the employee in a position, or payments by an employer
3 to an individual in lieu of reinstatement in a position which are
4 awarded or granted as the equivalent of the salary or wage which the
5 individual would have earned during a payroll period shall be
6 considered compensation earnable to the extent provided above, and the
7 individual shall receive the equivalent service credit;

8 (B) In any year in which a member serves in the legislature, the
9 member shall have the option of having such member's compensation
10 earnable be the greater of:

11 (I) The compensation earnable the member would have received had
12 such member not served in the legislature; or

13 (II) Such member's actual compensation earnable received for
14 nonlegislative public employment and legislative service combined. Any
15 additional contributions to the retirement system required because

34 shall constitute one service credit month except as provided in RCW
35 41.40.088. Compensation earnable earned for less than seventy hours in
36 any calendar month shall constitute one-quarter service credit month of
37 service except as provided in RCW 41.40.088. Only service credit
38 months and one-quarter service credit months shall be counted in the
39 computation of any retirement allowance or other benefit provided for

2 account in the computation of such retirement allowance or benefits.
3 Time spent in standby status, whether compensated or not, is not
4 service.

5 (i) Service by a state employee officially assigned by the state on
6 a temporary basis to assist another public agency, shall be considered
7 as service as a state employee: PROVIDED, That service to any other
8 public agency shall not be considered service as a state employee if
9 such service has been used to establish benefits in any other public
10 retirement system.

11 (ii) An individual shall receive no more than a total of twelve
12 service credit months of service during any calendar year. If an
13 individual is employed in an eligible position by one or more employers

35 less than ninety hours in any calendar month shall constitute one-half
36 service credit month of service. Compensation earnable earned for less

38 service credit month of service. Time spent in standby status, whether
39 compensated or not, is not service.

1 Any fraction of a year of service shall be taken into account in
2 the computation of such retirement allowance or benefits.

3 (i) Service in any state elective position shall be deemed to be
4 full time service, except that persons serving in state elective
5 positions who are members of the teachers' retirement system or law
6 enforcement officers' and fire fighters' retirement system at the time
7 of election or appointment to such position may elect to continue
8 membership in the teachers' retirement system or law enforcement

20 which would have been required under the law in effect when such

23 contribution shall be calculated by the director based on the first
24 month's compensation earnable as a member;

6 sixty-two and has completed at least ten years of service shall be
7 eligible to retire and to receive a retirement allowance computed
8 according to the provisions of section 106 of this act, except that a
9 member retiring under this subsection shall have the retirement
10 allowance actuarially reduced to reflect the difference in the number
11 of years between age at retirement and the attainment of age sixty-
12 five.

13 NEW SECTION. **Sec. 114.** (1) A member of the retirement system who
14 becomes totally incapacitated for continued employment by an employer
15 as determined by the department shall be eligible to receive a monthly
16 disability allowance computed under section 106 of this act and shall
17 have this allowance actuarially reduced to reflect the difference in
18 the number of years between age at disability and the attainment of age
19 sixty-five.

20 Any member who receives an allowance under the provisions of this
21 section shall be subject to comprehensive medical examinations as
22 required by the department. If these medical examinations reveal that

24 member is offered reemployment by an employer at comparable
25 compensation, the member shall cease to be eligible for the allowance.

26 (2) The retirement for disability of a judge, who is a member of
27 the retirement system, by the supreme court under Article IV, section

29 the concurrence of the department, shall be considered a retirement
30 under subsection (1) of this section.

31 (3) If the recipient of a monthly retirement allowance under this
32 section dies, any further benefit payments shall be conditioned by the
33 payment option selected by the retiree as provided in section 108 of
34 this act.

35 NEW SECTION. **Sec. 115.** (1) An active member shall become vested
36 in the right to a benefit upon completing ten years of service or upon
37 completing five years of service and attaining age fifty-five.

1 (2) A vested member who separates or has separated may remain a
2 member during the period of such member's absence from service for the
3 exclusive purpose only of receiving a retirement allowance under the
4 provisions of section 113 of this act.

5 (3) The retirement allowance payable under section 113 of this act
6 to a member who separates after having completed at least twenty years

11 then reenters membership must earn an additional twelve service credit
12 months to restore past service credit in the defined benefit portion of
13 plan III.

14 NEW SECTION. **Sec. 117.** If a member who is vested dies prior to
15 retirement, the surviving spouse or eligible child or children shall
16 receive a retirement allowance computed as provided in section 106 of
17 this act actuarially reduced to reflect a joint and one hundred percent
18 survivor option and if the member was not eligible for normal
19 retirement at the date of death a further reduction as described in
20 section 113(2) of this act.

21 If the surviving spouse who is receiving the retirement allowance

24 equal to that which was being received by the surviving spouse, share
25 and share alike, until such child or children reach the age of
26 majority.

27 If there is no surviving spouse eligible to receive an allowance at
28 the time of the member's death, such member's child or children under
29 the age of majority shall receive an allowance, share and share alike.
30 The allowance shall be calculated with the assumption that the ages of
31 the spouse and member were equal at the time of the member's death.

32 NEW SECTION. **Sec. 118.** Sections 105 through 117 of this act are
33 designated as a subchapter within chapter 41.40 RCW with the subchapter

27 **Sec. 413.** RCW 41.50.110 and 1990 c 8 s 3 are each amended to read
28 as follows:

29 (1) Notwithstanding any provision of law to the contrary, the
30 retirement system expense fund is hereby redesignated as the department
31 of retirement systems expense fund from which shall be paid the
32 expenses of the administration of the department and the expenses of
33 administration of the retirement systems created in chapters 2.10,
34 2.12, 41.26, 41.32, 41.40, 41.-- (sections 301 through 308 of this
35 act), and 43.43 RCW.

36 (2) In order to reimburse the department of retirement systems
37 expense fund on an equitable basis the department shall ascertain and
38 report to each employer, as defined in RCW 41.26.030, 41.32.010, or

1 41.40.010, the sum necessary to defray its proportional share of the
2 entire expense of the administration of the retirement system that the
3 employer participates in during the ensuing biennium or fiscal year
4 whichever may be required. Such sum is to be computed in an amount
5 directly proportional to the estimated entire expense of the
6 administration as the ratio of monthly salaries of the employer's
7 members bears to the total salaries of all members in the entire
8 system. It shall then be the duty of all such employers to include in
9 their budgets or otherwise provide the amounts so required.

10 (3) The department shall compute and bill each employer, as defined
11 in RCW 41.26.030, 41.32.010, or 41.40.010, at the end of each month for
12 the amount due for that month to the department of retirement systems
13 expense fund and the same shall be paid as are its other obligations.
14 Such computation as to each employer shall be made on a percentage rate
15 of salary established by the department. However, the department may
16 at its discretion establish a system of billing based upon calendar
17 year quarters in which event the said billing shall be at the end of
18 each such quarter.

19 (4) The director may adjust the expense fund contribution rate for
20 each system at any time when necessary to reflect unanticipated costs
21 or savings in administering the department.

22 ~~((3) All employers shall pay a standard fee to the department to~~
23 ~~cover the cost of administering the system.))~~ (5) An employer who fails
24 to submit timely and accurate reports to the department may be assessed
25 an additional fee related to the increased costs incurred by the
26 department in processing the deficient reports. Fees paid under this
27 subsection shall be deposited in the retirement system expense fund.

28 (a) Every six months the department shall determine the amount of
29 an employer's fee by reviewing the timeliness and accuracy of the
30 reports submitted by the employer in the preceding six months. If
31 those reports were not both timely and accurate the department may
32 prospectively assess an additional fee under this subsection.

33 (b) An additional fee assessed by the department under this
34 subsection shall not exceed fifty percent of the standard fee.

35 (c) The department shall adopt rules implementing this section.

36 (6) Expenses incurred pursuant to section 305 of this act shall be
37 deducted from the defined contribution fund in accordance with rules
38 established by the board under section 402 of this act.

1 NEW SECTION. **Sec. 414.** A new section is added to chapter 41.50
2 RCW to read as follows:

7 officials of the executive branch of the government, including full-
8 time members of boards, commissions, or committees; justices of the
9 supreme court and judges of the court of appeals and of the superior
10 and district courts; and members of the state legislature or of the
11 legislative authority of any county, city, or town.

12 (2) The state, through the department, and any county,
13 municipality, or other political subdivision of the state acting
14 through its principal supervising official or governing body is
15 authorized to contract with an employee to defer a portion of that
16 employee's income, which deferred portion shall in no event exceed the
17 amount allowable under 26 U.S.C. Sec. 457, and deposit or invest such
18 deferred portion in a credit union, savings and loan association, bank,
19 or mutual savings bank or purchase life insurance, shares of an
20 investment company, or fixed and/or variable annuity contracts from any
21 insurance company or any investment company licensed to contract
22 business in this state.

23 (3) The department can provide such plans as the employee
24 retirement benefits board, established under section 401 of this act,
25 deems are in the interests of state employees. In addition to the
26 types of investments described in this section, the department may
27 invest the deferred portion of an employee's income, without limitation
28 as to amount, in any of the class of investments described in RCW
29 43.84.150 as in effect on January 1, 1981. Any income deferred under
30 such a plan shall continue to be included as regular compensation, for
31 the purpose of computing the state or local retirement and pension
32 benefits earned by any employee.

33 (4) Coverage of an employee under a deferred compensation plan
34 under this section shall not render such employee ineligible for
35 simultaneous membership and participation in any pension system for
36 public employees.

37 NEW SECTION. **Sec. 415.** A new section is added to chapter 41.50
38 RCW to read as follows:

1 (1) The deferred compensation principal account is hereby created
2 in the state treasury. Any deficiency in the deferred compensation
3 administrative account caused by an excess of administrative expenses
4 disbursed from that account over earnings of investments of balances
5 credited to that account shall be eliminated by transferring moneys to
6 that account from the deferred compensation principal account.

7 (2) The amount of compensation deferred by employees under
8 agreements entered into under the authority contained in section 414 of
9 this act shall be paid into the deferred compensation principal account
10 and shall be sufficient to cover costs of administration and staffing
11 in addition to such other amounts as determined by the department. The
12 deferred compensation principal account shall be used to carry out the
13 purposes of section 414 of this act. All eligible state employees
14 shall be given the opportunity to participate in agreements entered
15 into by the department under section 414 of this act. State agencies
16 shall cooperate with the department in providing employees with the
17 opportunity to participate.

20 under section 414 of this act, including the making of payments
21 therefrom to the employees participating in a deferred compensation
22 plan upon their separation from state or other qualifying service.
23 Accordingly, the deferred compensation principal account shall be
24 considered to be a public pension or retirement fund within the meaning
25 of Article XXIX, section 1 of the state Constitution, for the purpose
26 of determining eligible investments and deposits of the moneys therein.

27 (4) All moneys in the deferred compensation principal account, all
28 property and rights purchased therewith, and all income attributable
29 thereto, shall remain (until made available to the participating
30 employee or other beneficiary) solely the money, property, and rights
31 of the state and participating counties, municipalities, and
32 subdivisions (without being restricted to the provision of benefits
33 under the plan) subject only to the claims of the state's and
34 participating jurisdictions' general creditors. Participating
35 jurisdictions shall each retain property rights separately.

36 (5) The state investment board, at the request of the employee
37 retirement benefits board as established under section 401 of this act,
38 is authorized to invest moneys in the deferred compensation principal
39 account in accordance with RCW 43.84.150. Except as provided in RCW

1 43.33A.160, one hundred percent of all earnings from these investments
2 shall accrue directly to the deferred compensation principal account.

3 (6) The deferred compensation administrative account is hereby
4 created in the state treasury. All expenses of the department
5 pertaining to the deferred compensation plan including staffing and
6 administrative expenses shall be paid out of the deferred compensation
7 administrative account. Any excess of earnings of investments of
8 balances credited to this account over administrative expenses
9 disbursed from this account shall be transferred to the deferred
10 compensation principal account. Any deficiency in the deferred
11 compensation administrative account caused by an excess of
12 administrative expenses disbursed from this account over earnings of
13 investments of balances credited to this account shall be transferred
14 to this account from the deferred compensation principal account.

15 (7) In addition to the duties specified in this section and section
16 414 of this act, the department shall administer the salary reduction
17 plan established in RCW 41.04.600 through 41.04.645.

18 (8) The department shall keep or cause to be kept full and adequate
19 accounts and records of the assets, obligations, transactions, and
20 affairs of any deferred compensation plans created under section 414 of
21 this act and this section.

22 (9) The department shall file an annual report of the financial
23 condition, transactions, and affairs of the deferred compensation plans
24 under its jurisdiction. A copy of the annual report shall be filed
25 with the speaker of the house of representatives, the president of the
26 senate, the governor, and the state auditor.

27 (10) Members of the employee retirement benefits board established
28 under section 401 of this act shall be deemed to stand in a fiduciary
29 relationship to the employees participating in the deferred
30 compensation plans created under section 414 of this act and this
31 section and shall discharge the duties of their respective positions in
32 good faith and with that diligence, care, and skill which ordinary
33 prudent persons would exercise under similar circumstances in like
34 positions.

35 (11) The department may adopt rules necessary to carry out the
36 purposes of section 414 of this act and this section.
