7 orders involving a licensee, applicant, or unlicensed person. The
8 uniform procedural rules adopted under this subsection apply to all
9 adjudicative proceedings conducted under this chapter and shall include
10 provisions for the establishing time ~~((lines))~~ periods for assessment,
11 investigation, charging, discovery, settlement, and ~~((scheduling~~
12 ~~hearings))~~ adjudication of complaints, and shall include enforcement
13 provisions for violations of the specific time periods by the
14 department, the disciplining authority, and the respondent.

15 (2) The uniform procedures for conducting investigations shall
16 provide that prior to taking a written statement:

17 (a) For violation of this chapter, the investigator shall inform
18 such person, in writing of: (i) The nature of the complaint; (ii) that
19 the person may consult with legal counsel at his or her expense prior
20 to making a statement; and (iii) that any statement that the person
21 makes may be used in an adjudicative proceeding conducted under this
22 chapter; and

23 (b) From a witness or potential witness in an investigation under
24 this chapter, the investigator shall inform the person, in writing,
25 that the statement may be released to the licensee, applicant, or
26 unlicensed person under investigation if a statement of charges is
27 issued.

28 (3) Only upon the authorization of a ~~((disciplinary))~~ disciplining
29 authority identified in RCW 18.130.040(2)(b), the secretary, or his or
30 her designee, may serve as the presiding officer for any disciplinary
31 proceedings of the ~~((disciplinary))~~ disciplining authority authorized
32 under this chapter. Except as provided in RCW 18.130.050(8), the
33 presiding officer shall not vote on or make any final decision. All
34 functions performed by the presiding officer shall be subject to
35 chapter 34.05 RCW. The secretary, in consultation with the
36 ~~((disciplinary))~~ disciplining authorities, shall adopt procedures for
37 implementing this subsection. ~~((This subsection shall not apply to the~~
38 board of funeral directors and embalmers.))

1 (4) The uniform procedural rules shall be adopted by all
2 disciplining authorities listed in RCW 18.130.040(2), and shall be used
3 for all adjudicative proceedings conducted under this chapter, as
4 defined by chapter 34.05 RCW. The uniform procedural rules shall
5 address the use of a presiding officer authorized in subsection (3) of
6 this section to determine and issue decisions on all legal issues and
7 motions arising during adjudicative proceedings.

8 **Sec. 5.** RCW 18.130.098 and 1994 1st sp.s. c 9 s 604 are each
9 amended to read as follows:

10 (1) The settlement process must be substantially uniform for
11 licensees governed by ~~((regulatory entities having authority))~~
12 disciplining authorities under this chapter. The disciplinary
13 authorities may also use alternative dispute resolution to resolve
14 complaints during adjudicative proceedings.

15 (2) Disclosure of the identity of reviewing disciplining authority
16 members who participate in the settlement process is available to the
17 respondent~~((s))~~ or ~~((their legal))~~ his or her representative upon
18 request.

19 (3) The settlement conference will occur only if a settlement is
20 not achieved through written documents. The respondent~~((s))~~ will have
21 the opportunity to conference either by phone or in person with the
22 reviewing disciplining authority member if the respondent chooses. The
23 respondent~~((s))~~ may also have ~~((their))~~ his or her attorney conference
24 either by phone or in person with the reviewing disciplining authority
25 member without the respondent being present personally.

26 (4) If the respondent wants to meet in person with the reviewing
27 disciplining authority member, he or she will travel to the reviewing
28 ~~((disciplinary))~~ disciplining authority member and have such a
29 conference with ~~((the attorney general))~~ a department representative in
30 attendance either by phone or in person.

31 **Sec. 6.** RCW 18.130.170 and 1987 c 150 s 6 are each amended to read
32 as follows:

33 (1) If the disciplining authority believes a license holder or
34 applicant may be unable to practice with reasonable skill and safety to
35 consumers by reason of any mental or physical condition, a statement of
36 charges in the name of the disciplining authority shall be served on
37 the license holder or applicant and notice shall also be issued

1 providing an opportunity for a hearing. The hearing shall be limited
2 to the sole issue of the capacity of the license holder or applicant to
3 practice with reasonable skill and safety. If the disciplining
4 authority determines that the license holder or applicant is unable to
5 practice with reasonable skill and safety for one of the reasons stated
6 in this subsection, the disciplining authority shall impose such
7 sanctions under RCW 18.130.160 as is deemed necessary to protect the
8 public.

9 (2)(a) In investigating or adjudicating a complaint or report that
10 a license holder or applicant may be unable to practice with reasonable
11 skill or safety by reason of any mental or physical condition, the
12 disciplining authority may require a license holder or applicant to
13 submit to a mental or physical examination by one or more licensed or
14 certified health professionals designated by the disciplining
15 authority. The license holder or applicant shall be provided written
16 notice of the disciplining authority's intent to order a mental or
17 physical examination, which notice shall include: (i) A statement of
18 the specific conduct, event, or circumstances justifying an
19 examination; (ii) a summary of the evidence supporting the disciplining
20 authority's concern that the license holder or applicant may be unable
21 to practice with reasonable skill and safety by reason of a mental or
22 physical condition, and the grounds for believing such evidence to be
23 credible and reliable; (iii) a statement of the nature, purpose, scope,
24 and content of the intended examination; (iv) a statement that the
25 license holder or applicant has the right to respond in writing within
26 twenty days to challenge the disciplining authority's grounds for
27 ordering an examination or to challenge the manner or form of the
28 examination; and (v) a statement that if the license holder or
29 applicant timely responds to the notice of intent, then the license
30 holder or applicant will not be required to submit to the examination
31 while the response is under consideration.

32 (b) Upon submission of a timely response to the notice of intent
33 to order a mental or physical examination, the license holder or
34 applicant shall have an opportunity to respond to or refute such an
35 order by submission of evidence or written argument or both. The
36 evidence and written argument supporting and opposing the mental or
37 physical examination shall be reviewed by either a panel of the
38 disciplining authority members who have not been involved with the
39 allegations against the license holder or applicant or a neutral

1 decision maker approved by the disciplining authority. The reviewing
2 panel of the disciplining authority or the approved neutral decision
3 maker may, in its discretion, ask for oral argument from the parties.
4 The reviewing panel of the disciplining authority or the approved
5 neutral decision maker shall prepare a written decision as to whether:
6 There is reasonable cause to believe that the license holder or
7 applicant may be unable to practice with reasonable skill and safety by
8 reason of a mental or physical condition, or the manner or form of the
9 mental or physical examination is appropriate, or both.

10 (c) Upon receipt by the disciplining authority of the written
11 decision, or upon the failure of the license holder or applicant to
12 timely respond to the notice of intent, the disciplining authority may
13 issue an order requiring the license holder or applicant to undergo a
14 mental or physical examination. All such mental or physical
15 examinations shall be narrowly tailored to address only the alleged
16 mental or physical condition and the ability of the license holder or
17 applicant to practice with reasonable skill and safety. An order of
18 the disciplining authority requiring the license holder or applicant to
19 undergo a mental or physical examination is not a final order for
20 purposes of appeal. The cost of the examinations ordered by the
21 disciplining authority shall be paid out of the health professions
22 account. In addition to any examinations ordered by the disciplining
23 authority, the licensee may submit physical or mental examination
24 reports from licensed or certified health professionals of the license
25 holder's or applicant's choosing and expense. ((Failure of a license
26 holder or applicant to submit to examination when directed constitutes
27 grounds for immediate suspension or denial of the license, consequent
28 upon which a default and final order may be entered without the taking
29 of testimony or presentations of evidence, unless the failure was due
30 to circumstances beyond the person's control.))

31 (d) If the disciplining authority finds that a license holder or
32 applicant has failed to submit to a properly ordered mental or physical
33 examination, then the disciplining authority may order appropriate
34 action or discipline under RCW 18.130.180(9), unless the failure was
35 due to circumstances beyond the person's control. However, no such
36 action or discipline may be imposed unless the license holder or
37 applicant has had the notice and opportunity to challenge the
38 disciplining authority's grounds for ordering the examination, to
39 challenge the manner and form, to assert any other defenses, and to

1 have such challenges or defenses considered by either a panel of the
2 disciplining authority members who have not been involved with the
3 allegations against the license holder or applicant or a neutral
4 decision maker approved by the disciplining authority, as previously
5 set forth in this section. Further, the action or discipline ordered
6 by the disciplining authority shall not be more severe than a
7 suspension of the license, certification, registration or application
8 until such time as the license holder or applicant complies with the
9 properly ordered mental or physical examination.

10 (e) Nothing in this section shall restrict the power of a
11 disciplining authority to act in an emergency under RCW 34.05.422(4),
12 34.05.479, and 18.130.050(7).

13 (f) A determination by a court of competent jurisdiction that a
14 license holder or applicant is mentally incompetent or mentally ill is
15 presumptive evidence of the license holder's or applicant's inability
16 to practice with reasonable skill and safety. An individual affected
17 under this section shall at reasonable intervals be afforded an
18 opportunity, at his or her expense, to demonstrate that the individual
19 can resume competent practice with reasonable skill and safety to the
20 consumer.

21 (3) For the purpose of subsection (2) of this section, an applicant
22 or license holder governed by this chapter, by making application,
23 practicing, or filing a license renewal, is deemed to have given
24 consent to submit to a mental, physical, or psychological examination
25 when directed in writing by the disciplining authority and further to
26 have waived all objections to the admissibility or use of the examining
27 health professional's testimony or examination reports by the
28 disciplining authority on the ground that the testimony or reports
29 constitute privileged communications.

30 **Sec. 7.** RCW 18.130.180 and 1993 c 367 s 22 are each amended to
31 read as follows:

32 The following conduct, acts, or conditions constitute
33 unprofessional conduct for any license holder or applicant under the
34 jurisdiction of this chapter:

35 (1) The commission of any act involving moral turpitude,
36 dishonesty, or corruption relating to the practice of the person's
37 profession, whether the act constitutes a crime or not. If the act
38 constitutes a crime, conviction in a criminal proceeding is not a

1 condition precedent to disciplinary action. Upon such a conviction,
2 however, the judgment and sentence is conclusive evidence at the
3 ensuing disciplinary hearing of the guilt of the license holder or
4 applicant of the crime described in the indictment or information, and
5 of the person's violation of the statute on which it is based. For the
6 purposes of this section, conviction includes all instances in which a
7 plea of guilty or nolo contendere is the basis for the conviction and
8 all proceedings in which the sentence has been deferred or suspended.
9 Nothing in this section abrogates rights guaranteed under chapter 9.96A
10 RCW;

11 (2) Misrepresentation or concealment of a material fact in
12 obtaining a license or in reinstatement thereof;

13 (3) All advertising which is false, fraudulent, or misleading;

14 (4) Incompetence, negligence, or malpractice which results in
15 injury to a patient or which creates an unreasonable risk that a
16 patient may be harmed. The use of a nontraditional treatment by itself
17 shall not constitute unprofessional conduct, provided that it does not
18 result in injury to a patient or create an unreasonable risk that a
19 patient may be harmed;

20 (5) Suspension, revocation, or restriction of the individual's
21 license to practice ((the)) any health care profession by competent
22 authority in any state, federal, or foreign jurisdiction, a certified
23 copy of the order, stipulation, or agreement being conclusive evidence
24 of the revocation, suspension, or restriction;

25 (6) The possession, use, prescription for use, or distribution of
26 controlled substances or legend drugs in any way other than for
27 legitimate or therapeutic purposes, diversion of controlled substances
28 or legend drugs, the violation of any drug law, or prescribing
29 controlled substances for oneself;

30 (7) Violation of any state or federal statute or administrative
31 rule regulating the profession in question, including any statute or
32 rule defining or establishing standards of patient care or professional
33 conduct or practice;

34 (8) Failure to cooperate with the disciplining authority by:

35 (a) Not furnishing any papers or documents;

36 (b) Not furnishing in writing a full and complete explanation
37 covering the matter contained in the complaint filed with the
38 disciplining authority; ((or))

- 1 (c) Not responding to subpoenas issued by the disciplining
2 authority, whether or not the recipient of the subpoena is the accused
3 in the proceeding; or
- 4 (d) Not providing reasonable and timely access for authorized
5 representatives of the disciplining authority seeking to perform
6 practice reviews at facilities utilized by the license holder;
- 7 (9) Failure to comply with an order issued by the ((disciplinary))
8 disciplining authority or a stipulation for informal disposition
9 entered into with the ((disciplinary)) disciplining authority;
- 10 (10) Aiding or abetting an unlicensed person to practice when a
11 license is required;
- 12 (11) Violations of rules established by any health agency;
- 13 (12) Practice beyond the scope of practice as defined by law or
14 rule;
- 15 (13) Misrepresentation or fraud in any aspect of the conduct of the
16 business or profession;
- 17 (14) Failure to adequately supervise auxiliary staff to the extent
18 that the consumer's health or safety is at risk;
- 19 (15) Engaging in a profession involving contact with the public
20 while suffering from a contagious or infectious disease involving
21 serious risk to public health;
- 22 (16) Promotion for personal gain of any unnecessary or
23 inefficacious drug, device, treatment, procedure, or service;
- 24 (17) Conviction of any gross misdemeanor or felony relating to the
25 practice of the person's profession. For the purposes of this
26 subsection, conviction includes all instances in which a plea of guilty
27 or nolo contendere is the basis for conviction and all proceedings in
28 which the sentence has been deferred or suspended. Nothing in this
29 section abrogates rights guaranteed under chapter 9.96A RCW;
- 30 (18) The procuring, or aiding or abetting in procuring, a criminal
31 abortion;
- 32 (19) The offering, undertaking, or agreeing to cure or treat
33 disease by a secret method, procedure, treatment, or medicine, or the
34 treating, operating, or prescribing for any health condition by a
35 method, means, or procedure which the licensee refuses to divulge upon
36 demand of the disciplining authority;
- 37 (20) The willful betrayal of a practitioner-patient privilege as
38 recognized by law;
- 39 (21) Violation of chapter 19.68 RCW;

1 (22) Interference with an investigation or disciplinary proceeding
2 by willful misrepresentation of facts before the disciplining authority
3 or its authorized representative, or by the use of threats or
4 harassment against any patient or witness to prevent them from
5 providing evidence in a disciplinary proceeding or any other legal
6 action, or by the use of financial inducements to any patient or
7 witness to prevent or attempt to prevent him or her from providing
8 evidence in a disciplinary proceeding;

9 (23) Current misuse of:

10 (a) Alcohol;

11 (b) Controlled substances; or

12 (c) Legend drugs;

13 (24) Abuse of a client or patient or sexual contact with a client
14 or patient;

15 (25) Acceptance of more than a nominal gratuity, hospitality, or
16 subsidy offered by a representative or vendor of medical or health-
17 related products or services intended for patients, in contemplation of
18 a sale or for use in research publishable in professional journals,
19 where a conflict of interest is presented, as defined by rules of the
20 disciplining authority, in consultation with the department, based on
21 recognized professional ethical standards.
