9 as follows:

10 Whenever any person has paid a motor vehicle license fee, and
11 together therewith has paid an excise tax imposed under the provisions
12 of this chapter, and the director determines that the payor is entitled
13 to a refund of the entire amount of the license fee as provided by law,
14 then the payor shall also be entitled to a refund of the entire excise
15 tax collected under the provisions of this chapter. In case the
16 director determines that any person is entitled to a refund of only a
17 part of the license fee so paid, the payor shall be entitled to a
18 refund of the difference, if any, between the excise tax collected and
19 that which should have been collected.

20 In case no claim is to be made for the refund of the license fee or
21 any part thereof, but claim is made by any person that he or she has
22 paid an erroneously excessive amount of excise tax, the department
23 shall determine in the manner generally provided in this chapter the

29 pursuant to Title 46 RCW which amounts to an overpayment of ten dollars
30 or more, such person shall be entitled to a refund of the entire amount
31 of such overpayment, regardless of whether or not a refund of the

33 department or its agents has failed to collect the full amount of the
34 license fee and excise tax due, which underpayment is in the amount of
35 ten dollars or more, the department shall charge and collect such
36 additional amount as will constitute full payment of the tax.

37 Any claim for refund of an erroneously excessive amount of excise
38 tax or overpayment of excise tax with a motor vehicle license fee must

1 be filed with the director within three years after the claimed
2 erroneous payment was made.

3 If the department approves the claim it shall notify the state

10 **Sec. 3.** RCW 82.44.150 and 1995 2nd sp.s. c 14 s 538 are each
11 amended to read as follows:

12 (1) The director of licensing shall, on the twenty-fifth day of
13 February, May, August, and November of each year, advise the state
14 treasurer of the total amount of motor vehicle excise taxes imposed by
15 RCW 82.44.020 (1) and (2) remitted to the department during the
16 preceding calendar quarter ending on the last day of March, June,
17 September, and December, respectively, except for those payable under
18 RCW 82.44.030, from motor vehicle owners residing within each
19 municipality which has levied a tax under RCW 35.58.273, which amount
20 of excise taxes shall be determined by the director as follows:

21 The total amount of motor vehicle excise taxes remitted to the
22 department, except those payable under RCW 82.44.020(3) and 82.44.030,
23 from each county shall be multiplied by a fraction, the numerator of
24 which is the population of the municipality residing in such county,
25 and the denominator of which is the total population of the county in
26 which such municipality or portion thereof is located. The product of
27 this computation shall be the amount of excise taxes from motor vehicle
28 owners residing within such municipality or portion thereof. Where the
29 municipality levying a tax under RCW 35.58.273 is located in more than
30 one county, the above computation shall be made by county, and the
31 combined products shall provide the total amount of motor vehicle
32 excise taxes from motor vehicle owners residing in the municipality as
33 a whole. Population figures required for these computations shall be
34 supplied to the director by the office of financial management, who
35 shall adjust the fraction annually.

36 (2) On the first day of the months of January, April, July, and
37 October of each year, the state treasurer based upon information
38 provided by the department shall, from 57.6440 percent of the motor

1 vehicle excise taxes deposited in the (~~general~~) transportation fund,
2 under RCW 82.44.110(1)(~~g~~), make the following deposits:

3 (a) To the high capacity transportation account created in RCW
4 47.78.010, a sum equal to four and five-tenths percent of the special
5 excise tax levied under RCW 35.58.273 by those municipalities
6 authorized to levy a special excise tax within each county that has a
7 population of one hundred seventy-five thousand or more and has an
8 interstate highway within its borders; except that in a case of a
9 municipality located in a county that has a population of one hundred
10 seventy-five thousand or more that does not have an interstate highway
11 located within its borders, that sum shall be deposited in the
12 passenger ferry account;

13 (b) To the central Puget Sound public transportation account
14 created in RCW 82.44.180, for revenues distributed after December 31,
15 1992, within a county with a population of one million or more and a
16 county with a population of from two hundred thousand to less than one
17 million bordering a county with a population of one million or more, a
18 sum equal to the difference between: (i) The special excise tax levied
19 and collected under RCW 35.58.273 by those municipalities authorized to
20 levy and collect a special excise tax subject to the requirements of
21 subsections (3) and (4) of this section; and (ii) the special excise
22 tax that the municipality would otherwise have been eligible to levy
23 and collect at a tax rate of .815 percent and been able to match with
24 locally generated tax revenues, other than the excise tax imposed under
25 RCW 35.58.273, budgeted for any public transportation purpose. Before
26 this deposit, the sum shall be reduced by an amount equal to the amount
27 distributed under (a) of this subsection for each of the municipalities
28 within the counties to which this subsection (2)(b) applies; however,
29 any transfer under this subsection (2)(b) must be greater than zero;

30 (c) To the public transportation systems account created in RCW
31 82.44.180, for revenues distributed after December 31, 1992, within
32 counties not described in (b) of this subsection, a sum equal to the
33 difference between: (i) The special excise tax levied and collected
34 under RCW 35.58.273 by those municipalities authorized to levy and
35 collect a special excise tax subject to the requirements of subsections
36 (3) and (4) of this section; and (ii) the special excise tax that the
37 municipality would otherwise have been eligible to levy and collect at
38 a tax rate of .815 percent and been able to match with locally
39 generated tax revenues, other than the excise tax imposed under RCW

1 35.58.273, budgeted for any public transportation purpose. Before this
2 deposit, the sum shall be reduced by an amount equal to the amount
3 distributed under (a) of this subsection for each of the municipalities
4 within the counties to which this subsection (2)(c) applies; however,
5 any transfer under this subsection (2)(c) must be greater than zero;
6 and

7 (d) To the (~~general fund, for revenues distributed after June 30,~~
8 ~~1993, and to the~~) transportation fund, for revenues distributed after
9 June 30, 1995, a sum equal to the difference between: (i) The special
10 excise tax levied and collected under RCW 35.58.273 by those
11 municipalities authorized to levy and collect a special excise tax
12 subject to the requirements of subsections (3) and (4) of this section;
13 and (ii) the special excise tax that the municipality would otherwise
14 have been eligible to levy and collect at a tax rate of .815 percent
15 notwithstanding the requirements set forth in subsections (3) through
16 (6) of this section, reduced by an amount equal to distributions made
17 under (a), (b), and (c) of this subsection and RCW 82.14.046.

18 (3) On the first day of the months of January, April, July, and
19 October of each year, the state treasurer, based upon information
20 provided by the department, shall remit motor vehicle excise tax
21 revenues imposed and collected under RCW 35.58.273 as follows:

22 (a) The amount required to be remitted by the state treasurer to
23 the treasurer of any municipality levying the tax shall not exceed in
24 any calendar year the amount of locally-generated tax revenues,
25 excluding: (i) The excise tax imposed under RCW 35.58.273 for the
26 purposes of this section, which shall have been budgeted by the
27 municipality to be collected in such calendar year for any public
28 transportation purposes including but not limited to operating costs,
29 capital costs, and debt service on general obligation or revenue bonds
30 issued for these purposes; and (ii) the sales and use tax equalization
31 distributions provided under RCW 82.14.046; and

32 (b) In no event may the amount remitted in a single calendar
33 quarter exceed the amount collected on behalf of the municipality under
34 RCW 35.58.273 during the calendar quarter next preceding the
35 immediately preceding quarter, excluding the sales and use tax
36 equalization distributions provided under RCW 82.14.046.

37 (4) At the close of each calendar year accounting period, but not
38 later than April 1, each municipality that has received motor vehicle
39 excise taxes under subsection (3) of this section shall transmit to the

1 director of licensing and the state auditor a written report showing by
2 source the previous year's budgeted tax revenues for public
3 transportation purposes as compared to actual collections. Any
4 municipality that has not submitted the report by April 1 shall cease
5 to be eligible to receive motor vehicle excise taxes under subsection
6 (3) of this section until the report is received by the director of
7 licensing. If a municipality has received more or less money under
8 subsection (3) of this section for the period covered by the report
9 than it is entitled to receive by reason of its locally-generated
10 collected tax revenues, the director of licensing shall, during the
11 next ensuing quarter that the municipality is eligible to receive motor
12 vehicle excise tax funds, increase or decrease the amount to be
13 remitted in an amount equal to the difference between the locally-
14 generated budgeted tax revenues and the locally-generated collected tax
15 revenues. In no event may the amount remitted for a calendar year
16 exceed the amount collected on behalf of the municipality under RCW
17 35.58.273 during that same calendar year excluding the sales and use
18 tax equalization distributions provided under RCW 82.14.046. At the
19 time of the next fiscal audit of each municipality, the state auditor
20 shall verify the accuracy of the report submitted and notify the
21 director of licensing of any discrepancies.

22 (5) The motor vehicle excise taxes imposed under RCW 35.58.273 and
23 required to be remitted under this section and RCW 82.14.046 shall be
24 remitted without legislative appropriation.

25 (6) Any municipality levying and collecting a tax under RCW
26 35.58.273 which does not have an operating, public transit system or a
27 contract for public transportation services in effect within one year
28 from the initial effective date of the tax shall return to the state
29 treasurer all motor vehicle excise taxes received under subsection (3)
30 of this section.

31 NEW SECTION. **Sec. 4.** The state treasurer shall deposit moneys from
32 the general fund as follows:

33 (1) An amount equal to 4.75 percent of the excise tax imposed under
34 RCW 82.44.020(1) into the municipal sales and use tax account;

35 (2) An amount equal to 1.60 percent of the excise tax imposed under
36 RCW 82.44.020(1) into the county sales and use tax equalization

4 under RCW 82.44.020(1) into the municipal criminal justice assistance
5 account for distribution under RCW 82.14.320;

6 (5) An amount equal to 1.1937 percent of the excise tax imposed
7 under RCW 82.44.020(1) into the municipal criminal justice assistance

9 NEW SECTION. **Sec. 5.** (1) An amount equal to 5.88 percent of the
10 excise tax imposed under RCW 82.44.020(1) shall be distributed from the
11 general fund under subsection (2) of this section.

12 (2) The state treasurer shall apportion and distribute the taxes
13 deposited into the general fund under subsection (1) of this section to
14 the cities and towns ratably on the basis of population as last
15 determined by the office of financial management. The amount payable
16 to each such city and town shall be transmitted to the city treasurer
17 thereof, and shall be used by the city or town for the purposes of
18 police and fire protection in the city or town, and not otherwise.

19 NEW SECTION. **Sec. 6.** Before distributing moneys to the cities and
20 towns from the general fund, as provided in section 5 of this act, and
21 from the municipal sales and use tax equalization account, as provided
22 in RCW 82.14.210, the state treasurer shall, on the first day of July
23 of each year, make an annual deduction therefrom of a sum equal to one-
24 half of the biennial appropriation made under this section, which
25 amount shall be at least seven cents per capita of the population of
26 all cities or towns as legally certified on that date, determined as
27 provided in RCW 82.44.150, which sum shall be apportioned and

33 under RCW 82.14.210. The municipal research council may contract with
34 and allocate moneys to any state agency, educational institution, or
35 private consulting firm, which in its judgment is qualified to carry on
36 a municipal research and service program. Moneys may be utilized to
37 match federal funds available for technical research and service

1 programs to cities and towns. Moneys allocated shall be used for
2 studies and research in municipal government, publications,
3 educational, conferences, and attendance thereat, and in furnishing
4 technical, consultative, and field services to cities and towns in
5 problems relating to planning, public health, municipal sanitation,
6 fire protection, law enforcement, postwar improvements, and public
7 works, and in all matters relating to city and town government. The
8 programs shall be carried on and all expenditures shall be made in
9 cooperation with the cities and towns of the state acting through the
10 Association of Washington Cities by its board of directors which is
11 hereby recognized as their official agency or instrumentality.

12 Funds appropriated to the municipal research council shall be kept
13 in the treasury in the general fund, and shall be disbursed by warrant
14 or check to contracting parties on invoices or vouchers certified by
15 the chair of the municipal research council or his or her designee.
16 Payments to public agencies may be made in advance of actual work
17 contracted for, in the discretion of the council.

18 Sixty-five percent of any moneys remaining unexpended or
19 uncontracted for by the municipal research council at the end of any
20 fiscal biennium shall be returned to the general fund and be paid to
21 cities and towns under section 5 of this act. The remaining thirty-
22 five percent shall be deposited into the municipal sales and use tax
23 equalization account.

24 NEW SECTION. **Sec. 7.** A new section is added to chapter 70.05 RCW
25 to read as follows:

26 An amount equal to 2.95 percent of the excise tax imposed under RCW
27 82.44.020(1) shall be deposited from the general fund into the county
28 public health account created in RCW 70.05.125.

29 **Sec. 8.** RCW 82.14.200 and 1991 sp.s. c 13 s 15 are each amended to
30 read as follows:

31 There is created in the state treasury a special account to be
32 known as the "county sales and use tax equalization account." Into
33 this account shall be placed a portion of all ((~~motor vehicle excise~~
34 ~~tax~~)) receipts as provided in ((~~RCW 82.44.110(1)(f)~~)) section 4(2) of
35 this act. Funds in this account shall be allocated by the state
36 treasurer according to the following procedure:

1 (1) Prior to April 1st of each year the director of revenue shall
2 inform the state treasurer of the total and the per capita levels of
3 revenues for the unincorporated area of each county and the state-wide
4 weighted average per capita level of revenues for the unincorporated
5 areas of all counties imposing the sales and use tax authorized under
6 RCW 82.14.030(1) for the previous calendar year.

7 (2) At such times as distributions are made under RCW 82.44.150(~~(7~~
8 ~~as now or hereafter amended~~)), the state treasurer shall apportion to
9 each county imposing the sales and use tax under RCW 82.14.030(1) at
10 the maximum rate and receiving less than one hundred fifty thousand
11 dollars from the tax for the previous calendar year, an amount from the
12 county sales and use tax equalization account sufficient, when added to
13 the amount of revenues received the previous calendar year by the
14 county, to equal one hundred fifty thousand dollars.

15 The department of revenue shall establish a governmental price
16 index as provided in this subsection. The base year for the index
17 shall be the end of the third quarter of 1982. Prior to November 1,
18 1983, and prior to each November 1st thereafter, the department of
19 revenue shall establish another index figure for the third quarter of
20 that year. The department of revenue may use the implicit price
21 deflators for state and local government purchases of goods and
22 services calculated by the United States department of commerce to
23 establish the governmental price index. Beginning on January 1, 1984,
24 and each January 1st thereafter, the one hundred fifty thousand dollar
25 base figure in this subsection shall be adjusted in direct proportion
26 to the percentage change in the governmental price index from 1982
27 until the year before the adjustment. Distributions made under this
28 subsection for 1984 and thereafter shall use this adjusted base amount
29 figure.

30 (3) Subsequent to the distributions under subsection (2) of this
31 section and at such times as distributions are made under RCW
32 82.44.150(~~(7, as now or hereafter amended~~)), the state treasurer shall
33 apportion to each county imposing the sales and use tax under RCW
34 82.14.030(1) at the maximum rate and receiving less than seventy
35 percent of the state-wide weighted average per capita level of revenues
36 for the unincorporated areas of all counties as determined by the
37 department of revenue under subsection (1) of this section, an amount
38 from the county sales and use tax equalization account sufficient, when
39 added to the per capita level of revenues for the unincorporated area

1 received the previous calendar year by the county, to equal seventy
2 percent of the state-wide weighted average per capita level of revenues
3 for the unincorporated areas of all counties determined under
4 subsection (1) of this section, subject to reduction under subsections
5 (6) and (7) of this section. When computing distributions under this
6 section, any distribution under subsection (2) of this section shall be
7 considered revenues received from the tax imposed under RCW
8 82.14.030(1) for the previous calendar year.

9 (4) Subsequent to the distributions under subsection (3) of this
10 section and at such times as distributions are made under RCW
11 82.44.150, as now or hereafter amended, the state treasurer shall
12 apportion to each county imposing the sales and use tax under RCW
13 82.14.030(2) at the maximum rate and receiving a distribution under
14 subsection (2) of this section, a third distribution from the county
15 sales and use tax equalization account. The distribution to each
16 qualifying county shall be equal to the distribution to the county
17 under subsection (2) of this section, subject to the reduction under
18 subsections (6) and (7) of this section. To qualify for the total
19 distribution under this subsection, the county must impose the tax
20 under RCW 82.14.030(2) for the entire calendar year. Counties imposing
21 the tax for less than the full year shall qualify for prorated
22 allocations under this subsection proportionate to the number of months
23 of the year during which the tax is imposed.

24 (5) Subsequent to the distributions under subsection (4) of this
25 section and at such times as distributions are made under RCW
26 82.44.150(~~(, as now or hereafter amended)~~), the state treasurer shall
27 apportion to each county imposing the sales and use tax under RCW
28 82.14.030(2) at the maximum rate and receiving a distribution under
29 subsection (3) of this section, a fourth distribution from the county
30 sales and use tax equalization account. The distribution to each
31 qualifying county shall be equal to the distribution to the county
32 under subsection (3) of this section, subject to the reduction under
33 subsections (6) and (7) of this section. To qualify for the
34 distributions under this subsection, the county must impose the tax
35 under RCW 82.14.030(2) for the entire calendar year. Counties imposing
36 the tax for less than the full year shall qualify for prorated
37 allocations under this subsection proportionate to the number of months
38 of the year during which the tax is imposed.

1 (6) Revenues distributed under this section in any calendar year
2 shall not exceed an amount equal to seventy percent of the state-wide
3 weighted average per capita level of revenues for the unincorporated
4 areas of all counties during the previous calendar year. If
5 distributions under subsections (3) through (5) of this section cannot
6 be made because of this limitation, then distributions under
7 subsections (3) through (5) of this section shall be reduced ratably
8 among the qualifying counties.

9 (7) If inadequate revenues exist in the county sales and use tax
10 equalization account to make the distributions under subsections (3)
11 through (5) of this section, then the distributions under subsections
12 (3) through (5) of this section shall be reduced ratably among the
13 qualifying counties. At such time during the year as additional funds
14 accrue to the county sales and use tax equalization account, additional
15 distributions shall be made under subsections (3) through (5) of this
16 section to the counties.

17 (8) If the level of revenues in the county sales and use tax
18 equalization account exceeds the amount necessary to make the
19 distributions under subsections (2) through (5) of this section, then
20 the additional revenues shall be credited and transferred to the state
21 general fund.

22 **Sec. 9.** RCW 82.14.210 and 1991 sp.s. c 13 s 16 are each amended to
23 read as follows:

24 There is created in the state treasury a special account to be
25 known as the "municipal sales and use tax equalization account." Into
26 this account shall be placed such revenues as are provided under RCW
27 82.44.110(1)(e). Funds in this account shall be allocated by the state
28 treasurer according to the following procedure:

29 (1) Prior to January 1st of each year the department of revenue
30 shall determine the total and the per capita levels of revenues for
31 each city and the state-wide weighted average per capita level of
32 revenues for all cities imposing the sales and use tax authorized under
33 RCW 82.14.030(1) for the previous calendar year.

34 (2) At such times as distributions are made under RCW 82.44.150,
35 the state treasurer shall apportion to each city not imposing the sales
36 and use tax under RCW 82.14.030(2) an amount from the municipal sales
37 and use tax equalization account equal to the amount distributed to the

1 city under ((RCW 82.44.155)) section 5 of this act, multiplied by
2 thirty-five sixty-fifths.

3 (3) Subsequent to the distributions under subsection (2) of this
4 section, and at such times as distributions are made under RCW
5 82.44.150, the state treasurer shall apportion to each city imposing
6 the sales and use tax under RCW 82.14.030(1) at the maximum rate and
7 receiving less than seventy percent of the state-wide weighted average
8 per capita level of revenues for all cities as determined by the
9 department of revenue under subsection (1) of this section, an amount
10 from the municipal sales and use tax equalization account sufficient,
11 when added to the per capita level of revenues received the previous
12 calendar year by the city, to equal seventy percent of the state-wide
13 weighted average per capita level of revenues for all cities determined
14 under subsection (1) of this section, subject to reduction under
15 subsection (6) of this section.

16 (4) Subsequent to the distributions under subsection (3) of this
17 section, and at such times as distributions are made under RCW
18 82.44.150, the state treasurer shall apportion to each city imposing
19 the sales and use tax under RCW 82.14.030(2) at the maximum rate and
20 receiving a distribution under subsection (3) of this section, a third
21 distribution from the municipal sales and use tax equalization account.
22 The distribution to each qualifying city shall be equal to the
23 distribution to the city under subsection (3) of this section, subject
24 to the reduction under subsection (6) of this section. To qualify for
25 the distributions under this subsection, the city must impose the tax
26 under RCW 82.14.030(2) for the entire calendar year. Cities imposing
27 the tax for less than the full year shall qualify for prorated
28 allocations under this subsection proportionate to the number of months
29 of the year during which the tax is imposed.

30 (5) For a city with an official incorporation date after January 1,
31 1990, municipal sales and use tax equalization distributions shall be
32 made according to the procedures in this subsection. Municipal sales
33 and use tax equalization distributions to eligible new cities shall be
34 made at the same time as distributions are made under subsections (3)
35 and (4) of this section. The department of revenue shall follow the
36 estimating procedures outlined in this subsection until the new city
37 has received a full year's worth of revenues under RCW 82.14.030(1) as
38 of the January municipal sales and use tax equalization distribution.

1 (a) Whether a newly incorporated city determined to receive funds
2 under this subsection receives its first equalization payment at the
3 January, April, July, or October municipal sales and use tax
4 equalization distribution shall depend on the date the city first
5 imposes the tax authorized under RCW 82.14.030(1).

6 (i) A newly incorporated city imposing the tax authorized under RCW
7 82.14.030(1) effective as of January 1st shall be eligible to receive
8 funds under this subsection beginning with the April municipal sales
9 and use tax equalization distribution of that year.

10 (ii) A newly incorporated city imposing the tax authorized under
11 RCW 82.14.030(1) effective as of February 1st, March 1st, or April 1st
12 shall be eligible to receive funds under this subsection beginning with
13 the July municipal sales and use tax equalization distribution of that
14 year.

15 (iii) A newly incorporated city imposing the tax authorized under
16 RCW 82.14.030(1) effective as of May 1st, June 1st, or July 1st shall
17 be eligible to receive funds under this subsection beginning with the
18 October municipal sales and use tax equalization distribution of that
19 year.

20 (iv) A newly incorporated city imposing the tax authorized under
21 RCW 82.14.030(1) effective as of August 1st, September 1st, or October
22 1st shall be eligible to receive funds under this subsection beginning
23 with the January municipal sales and use tax equalization distribution
24 of the next year.

25 (v) A newly incorporated city imposing the tax authorized under RCW
26 82.14.030(1) effective as of November 1st or December 1st shall be
27 eligible to receive funds under this subsection beginning with the
28 April municipal sales and use tax equalization distribution of the next
29 year.

30 (b) For purposes of calculating the amount of funds the new city
31 should receive under this subsection, the department of revenue shall:

32 (i) Estimate the per capita amount of revenues from the tax
33 authorized under RCW 82.14.030(1) that the new city would have received
34 had the city received revenues from the tax the entire calendar year;

35 (ii) Calculate the amount provided under subsection (3) of this
36 section based on the per capita revenues determined under (b)(i) of
37 this subsection;

1 (iii) Prorate the amount determined under (b)(ii) of this
2 subsection by the number of months the tax authorized under RCW
3 82.14.030(1) is imposed.

4 (c) A new city imposing the tax under RCW 82.14.030(2) at the
5 maximum rate and receiving a distribution calculated under (b) of this
6 subsection shall receive another distribution from the municipal sales
7 and use tax equalization account. This distribution shall be equal to
8 the calculation made under (b)(ii) of this subsection, prorated by the
9 number of months the city imposes the tax authorized under RCW
10 82.14.030(2) at the full rate.

11 (d) The department of revenue shall advise the state treasurer of
12 the amounts calculated under (b) and (c) of this subsection and the
13 state treasurer shall distribute these amounts to the new city from the
14 municipal sales and use tax equalization account subject to the
15 limitations imposed in subsection (6) of this section.

16 (e) Revenues estimated under this subsection shall not affect the
17 calculation of the state-wide weighted average per capita level of
18 revenues for all cities made under subsection (1) of this section.

19 (6) If inadequate revenues exist in the municipal sales and use tax
20 equalization account to make the distributions under subsection (3),
21 (4), or (5) of this section, then the distributions under subsections
22 (3), (4), and (5) of this section shall be reduced ratably among the
23 qualifying cities. At such time during the year as additional funds
24 accrue to the municipal sales and use tax equalization account,
25 additional distributions shall be made under subsections (3), (4), and
26 (5) of this section to the cities.

27 (7) If the level of revenues in the municipal sales and use tax
28 equalization account exceeds the amount necessary to make the
29 distributions under subsections (2) through (5) of this section, then
30 the additional revenues shall be apportioned among the several cities
31 within the state ratably on the basis of population as last determined
32 by the office of financial management: PROVIDED, That no such
33 distribution shall be made to those cities receiving a distribution
34 under subsection (2) of this section.

35 **Sec. 10.** RCW 82.14.310 and 1995 c 398 s 11 are each amended to
36 read as follows:

37 (1) The county criminal justice assistance account is created in
38 the state treasury.

1 (2) The moneys deposited in the county criminal justice assistance
2 account for distribution under this section(~~(, less any moneys~~
3 ~~appropriated for purposes under RCW 82.44.110,)~~) shall be distributed
4 at such times as distributions are made under RCW 82.44.150 and on the
5 relative basis of each county's funding factor as determined under this
6 subsection.

7 (a) A county's funding factor is the sum of:

8 (i) The population of the county, divided by one thousand, and
9 multiplied by two-tenths;

10 (ii) The crime rate of the county, multiplied by three-tenths; and

11 (iii) The annual number of criminal cases filed in the county

21 population;

22 (iii) The annual number of criminal cases filed in the county
23 superior court shall be determined by the most recent annual report of
24 the courts of Washington, as published by the office of the
25 administrator for the courts;

26 (iv) Distributions and eligibility for distributions in the 1989-91
27 biennium shall be based on 1988 figures for both the crime rate as
28 described under (ii) of this subsection and the annual number of
29 criminal cases that are filed as described under (iii) of this
30 subsection. Future distributions shall be based on the most recent
31 figures for both the crime rate as described under (ii) of this
32 subsection and the annual number of criminal cases that are filed as
33 described under (iii) of this subsection.

34 (3) Moneys distributed under this section shall be expended
35 exclusively for criminal justice purposes and shall not be used to
36 replace or supplant existing funding. Criminal justice purposes are
37 defined as activities that substantially assist the criminal justice
38 system, which may include circumstances where ancillary benefit to the
39 civil justice system occurs, and which includes domestic violence

1 services such as those provided by domestic violence programs,

3 Existing funding for purposes of this subsection is defined as calendar
4 year 1989 actual operating expenditures for criminal justice purposes.
5 Calendar year 1989 actual operating expenditures for criminal justice
6 purposes exclude the following: Expenditures for extraordinary events
7 not likely to reoccur, changes in contract provisions for criminal

2 distributed to the cities of the state as follows:

11 chiefs. Moneys shall be distributed under this subsection (1)(a)
12 ratably based on population as last determined by the office of

31 civil justice system occurs, and which includes domestic violence
32 services such as those provided by domestic violence programs,
33 community advocates, and legal advocates, as defined in RCW 70.123.020.
34 Existing funding for purposes of this subsection is defined as calendar
35 year 1989 actual operating expenditures for criminal justice purposes.
36 Calendar year 1989 actual operating expenditures for criminal justice
37 purposes exclude the following: Expenditures for extraordinary events

6 ineligible to receive future distributions under this subsection until
7 the use of the moneys are justified to the satisfaction of the director
8 or are repaid to the state general fund. The director may allow

11 (3) Notwithstanding other provisions of this section, the
12 distributions to any city that substantially decriminalizes or repeals
13 its criminal code after July 1, 1990, and that does not reimburse the
