SUBSTITUTE HOUSE BILL 2463

State of Washington 54th Legislature 1996 Regular Session

By House Committee on Natural Resources (originally sponsored by Representatives Buck, Hatfield, Honeyford, Hymes, Boldt, Kessler and Benton)

Read first time 02/01/96.

- 1 AN ACT Relating to salmon restoration; and creating a new section.
- 2 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:
- 3 NEW SECTION. Sec. 1. (1) By July 1, 1996, the habitat, fish
- 4 management, and ecosystem programs of the department of fish and
- 5 wildlife shall develop an action plan for the restoration of watersheds
 - where the depressed condition of the natural spawning salmon stocks has
- 7 required the restriction or closure of highly beneficial and
- 8 traditional salmon fisheries.
- 9 (2) The salmon restoration action plan shall:
- 10 (a) Identify factors limiting salmon production and develop short
- 11 and long-term plans to address them;
- (b) Use volunteers to the greatest extent possible;
- 13 (c) Emphasize the restoration of chinook and coho stocks with
- 14 consideration given to the requirements of other weak or depressed fish
- 15 stocks;

6

- 16 (d) Create new fisheries and enhance existing fisheries;
- 17 (e) Incorporate the use of all viable enhancement tools including
- 18 remote site incubators, where appropriate; and

p. 1 SHB 2463

1 (f) Develop cost estimates for identified restoration opportunities 2 and evaluate the possibility for cost sharing through other federal, 3 state, and local community partnerships.
