By Senate Committee on Government Operations (originally sponsored by Senators Haugen and Winsley)

1 AN ACT Relating to county research services; amending RCW
2 82.14.200, 43.88.114, 43.110.030, and 43.110.010; and adding a new
3 section to chapter 36.32 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** A new section is added to chapter 36.32 RCW
6 to read as follows:

7 A special account is created in the state treasury to be known as
8 the "county research services account." Such moneys remaining in the
9 county sales and use tax equalization account after distribution to
10 counties under RCW 82.14.200 as are appropriated by the legislature
11 shall be transferred into the county research services account. Moneys
12 in the account may be spent only after appropriation.

13 Moneys in the county research services account may only be expended
14 to finance the costs of county research.

15 **Sec. 2.** RCW 82.14.200 and 1991 sp.s. c 13 s 15 are each amended to
16 read as follows:

17 There is created in the state treasury a special account to be
18 known as the "county sales and use tax equalization account." Into

1 this account shall be placed a portion of all motor vehicle excise tax
2 receipts as provided in RCW 82.44.110(1)(f). Funds in this account
3 shall be allocated by the state treasurer according to the following
4 procedure:

5 (1) Prior to April 1st of each year the director of revenue shall
6 inform the state treasurer of the total and the per capita levels of
7 revenues for the unincorporated area of each county and the state-wide
8 weighted average per capita level of revenues for the unincorporated
9 areas of all counties imposing the sales and use tax authorized under
10 RCW 82.14.030(1) for the previous calendar year.

11 (2) At such times as distributions are made under RCW 82.44.150, as
12 now or hereafter amended, the state treasurer shall apportion to each
13 county imposing the sales and use tax under RCW 82.14.030(1) at the
14 maximum rate and receiving less than one hundred fifty thousand dollars
15 from the tax for the previous calendar year, an amount from the county
16 sales and use tax equalization account sufficient, when added to the
17 amount of revenues received the previous calendar year by the county,
18 to equal one hundred fifty thousand dollars.

19 The department of revenue shall establish a governmental price
20 index as provided in this subsection. The base year for the index
21 shall be the end of the third quarter of 1982. Prior to November 1,
22 1983, and prior to each November 1st thereafter, the department of
23 revenue shall establish another index figure for the third quarter of
24 that year. The department of revenue may use the implicit price
25 deflators for state and local government purchases of goods and
26 services calculated by the United States department of commerce to
27 establish the governmental price index. Beginning on January 1, 1984,
28 and each January 1st thereafter, the one hundred fifty thousand dollar
29 base figure in this subsection shall be adjusted in direct proportion
30 to the percentage change in the governmental price index from 1982
31 until the year before the adjustment. Distributions made under this
32 subsection for 1984 and thereafter shall use this adjusted base amount
33 figure.

34 (3) Subsequent to the distributions under subsection (2) of this
35 section and at such times as distributions are made under RCW
36 82.44.150, as now or hereafter amended, the state treasurer shall
37 apportion to each county imposing the sales and use tax under RCW
38 82.14.030(1) at the maximum rate and receiving less than seventy
39 percent of the state-wide weighted average per capita level of revenues

1 for the unincorporated areas of all counties as determined by the
2 department of revenue under subsection (1) of this section, an amount
3 from the county sales and use tax equalization account sufficient, when
4 added to the per capita level of revenues for the unincorporated area
5 received the previous calendar year by the county, to equal seventy
6 percent of the state-wide weighted average per capita level of revenues
7 for the unincorporated areas of all counties determined under
8 subsection (1) of this section, subject to reduction under subsections
9 (6) and (7) of this section. When computing distributions under this
10 section, any distribution under subsection (2) of this section shall be
11 considered revenues received from the tax imposed under RCW
12 82.14.030(1) for the previous calendar year.

13 (4) Subsequent to the distributions under subsection (3) of this
14 section and at such times as distributions are made under RCW
15 82.44.150, as now or hereafter amended, the state treasurer shall
16 apportion to each county imposing the sales and use tax under RCW
17 82.14.030(2) at the maximum rate and receiving a distribution under
18 subsection (2) of this section, a third distribution from the county
19 sales and use tax equalization account. The distribution to each
20 qualifying county shall be equal to the distribution to the county
21 under subsection (2) of this section, subject to the reduction under
22 subsections (6) and (7) of this section. To qualify for the total
23 distribution under this subsection, the county must impose the tax
24 under RCW 82.14.030(2) for the entire calendar year. Counties imposing
25 the tax for less than the full year shall qualify for prorated
26 allocations under this subsection proportionate to the number of months
27 of the year during which the tax is imposed.

28 (5) Subsequent to the distributions under subsection (4) of this
29 section and at such times as distributions are made under RCW
30 82.44.150, as now or hereafter amended, the state treasurer shall
31 apportion to each county imposing the sales and use tax under RCW
32 82.14.030(2) at the maximum rate and receiving a distribution under
33 subsection (3) of this section, a fourth distribution from the county
34 sales and use tax equalization account. The distribution to each
35 qualifying county shall be equal to the distribution to the county
36 under subsection (3) of this section, subject to the reduction under
37 subsections (6) and (7) of this section. To qualify for the
38 distributions under this subsection, the county must impose the tax
39 under RCW 82.14.030(2) for the entire calendar year. Counties imposing

1 the tax for less than the full year shall qualify for prorated
2 allocations under this subsection proportionate to the number of months
3 of the year during which the tax is imposed.

4 (6) Revenues distributed under this section in any calendar year
5 shall not exceed an amount equal to seventy percent of the state-wide
6 weighted average per capita level of revenues for the unincorporated
7 areas of all counties during the previous calendar year. If
8 distributions under subsections (3) through (5) of this section cannot
9 be made because of this limitation, then distributions under
10 subsections (3) through (5) of this section shall be reduced ratably
11 among the qualifying counties.

12 (7) If inadequate revenues exist in the county sales and use tax
13 equalization account to make the distributions under subsections (3)
14 through (5) of this section, then the distributions under subsections
15 (3) through (5) of this section shall be reduced ratably among the
16 qualifying counties. At such time during the year as additional funds
17 accrue to the county sales and use tax equalization account, additional
18 distributions shall be made under subsections (3) through (5) of this
19 section to the counties.

20 (8) If the level of revenues in the county sales and use tax
21 equalization account exceeds the amount necessary to make the
22 distributions under subsections (2) through (5) of this section and the
23 transfer authorized by appropriation pursuant to section 1 of this act,
24 then the additional revenues shall be credited and transferred to the
25 state general fund.

26 **Sec. 3.** RCW 43.88.114 and 1983 c 22 s 2 are each amended to read
27 as follows:

28 Appropriations of funds to the municipal research council from
29 motor vehicle excise taxes shall not be subject to allotment by the
30 office of financial management.
