19 as follows:

20 Any voter may apply, in writing, for status as an ongoing absentee
21 voter. Each qualified applicant shall automatically receive an

24 election. Ballots received from ongoing absentee voters shall be
25 validated, processed, and tabulated in the same manner as other
26 absentee ballots.

27 Status as an ongoing absentee voter shall be terminated upon any of
28 the following events:

30 (2) The death or disqualification of the voter;
31 (3) The cancellation of the voter's registration record; ((or))
32 (4) The return of an ongoing absentee ballot as undeliverable; or
33 (5) Upon placing a voter on inactive status under RCW 29.10.071.

34 **Sec. 6.** RCW 29.36.120 and 1994 c 269 s 1 and 1994 c 57 s 48 are
35 each reenacted and amended to read as follows:

1 (1) At any primary or election, general or special, the county
2 auditor may, in any precinct having fewer than two hundred active
3 registered voters at the time of closing of voter registration as
4 provided in RCW 29.07.160, conduct the voting in that precinct by mail
5 ballot. For any precinct having fewer than two hundred active
6 registered voters where voting at a primary or a general election is
7 conducted by mail ballot, the county auditor shall, not less than
8 fifteen days prior to the date of that primary or general election,
9 mail or deliver to each active and inactive registered voter within
10 that precinct a notice that the voting in that precinct will be by mail
11 ballot, an application form for a mail ballot, and a postage prepaid
12 envelope, preaddressed to the issuing officer. A mail ballot shall be
13 issued to each voter who returns a properly executed application to the
14 county auditor no later than the day of that primary or general
15 election. For all subsequent mail ballot elections in that precinct
16 the application is valid so long as the voter remains active and
17 qualified to vote. In determining the number of registered voters in
18 a precinct for the purposes of this section, persons who are ongoing
19 absentee voters under RCW 29.36.013 shall not be counted. Nothing in
20 this section may be construed as altering the vote tallying
21 requirements of RCW 29.62.090.

22 At any nonpartisan special election not being held in conjunction
23 with a state primary or general election, the county, city, town, or
24 district requesting the election pursuant to RCW 29.13.010 or 29.13.020
25 may also request that the election be conducted by mail ballot. The
26 county auditor may honor the request or may determine that the election
27 is not to be conducted by mail ballot. The decision of the county
28 auditor in this regard is final.

29 In no instance shall any special election be conducted by mail
30 ballot in any precinct with two hundred or more active registered
31 voters if candidates for partisan office are to be voted upon.

32 For all special elections not being held in conjunction with a
33 state primary or state general election where voting is conducted by
34 mail ballot, the county auditor shall, not less than fifteen days prior
35 to the date of such election, mail or deliver to each active registered
36 voter a mail ballot and an envelope, preaddressed to the issuing
37 officer. If a voter who is on inactive status contacts the auditor at
38 any time between the day ballots are placed in the mail and the date of
39 the election requesting a mail ballot, the auditor shall restore the

1 voter's status to active and provide the voter with a mail ballot for
2 the election. If the election being conducted by mail ballot includes
3 federal issues or contests, the auditor shall send each inactive voter
4 either a ballot or an application to receive a ballot. The auditor
5 shall determine which of the two is to be sent. If the inactive voter
6 returns a voted ballot, the ballot shall be counted and the voter's
7 status restored to active. If the inactive voter completes and returns
8 an application, a ballot shall be sent and the voter's status restored
9 to active.

10 (2) For a two-year period beginning on June 9, 1994, and ending two
11 years after June 9, 1994, the county auditor may conduct the voting in
12 any precinct by mail for any primary or election, partisan or
13 nonpartisan, using the procedures set forth in RCW 29.36.120 through
14 29.36.139.

15 **Sec. 7.** RCW 29.36.122 and 1994 c 57 s 50 are each amended to read
16 as follows:

17 For any special election conducted by mail, the county auditor
18 shall send a mail ballot with a return identification envelope to each
19 active registered voter of the district in which the special election
20 is being conducted not sooner than the twenty-fifth day before the date
21 of the election and not later than the fifteenth day before the date of
22 the election. The envelope in which the ballot is mailed must clearly
23 indicate that the ballot is not to be forwarded and is to be returned
24 to the sender with return postage guaranteed. (~~The auditor shall send~~
25 ~~an application to receive a ballot to all inactive voters of the~~
26 ~~district. Upon receipt of a completed~~) If a voter who is on inactive
27 status contacts the auditor at any time between the day ballots are
28 placed in the mail and the date of the election requesting a mail
29 ballot, the auditor shall restore the voter's status to active and
30 provide the voter with a mail ballot for the election. If the election
31 being conducted by mail ballot includes federal issues or contests, the
32 auditor shall send each inactive voter either a ballot or an
33 application to receive a ballot. The auditor shall determine which of
34 the two is to be sent. If the inactive voter completes and returns an
35 application, the auditor shall send a ballot and restore the voter's
36 status to active.
