SUBSTITUTE SENATE BILL 5231

Passed Legislature - 1995 First Special Session

State of Washington 54th Legislature 1995 Regular Session

By Senate Committee on Transportation (originally sponsored by Senators Owen and Prince; by request of Department of Transportation)

Read first time 03/03/95.

1 AN ACT Relating to the tort liability account; amending RCW
2 4.92.130 and 4.92.230; reenacting and amending RCW 43.84.092; providing
3 an effective date; and declaring an emergency.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 **Sec. 1.** RCW 4.92.130 and 1991 sp.s. c 13 s 92 are each amended to
6 read as follows:

7 A liability account in the custody of the treasurer is hereby
8 created as a nonappropriated account to be used solely and exclusively
9 for the payment of liability settlements and judgments against the
10 state under 42 U.S.C. Sec. 1981 et seq. or for the tortious conduct of
11 its officers, employees, and volunteers. A transportation liability
12 account is established for payment of tortious liabilities of the
13 departments funded by motor vehicle or transportation funds. Earnings
14 to the account are to be retained within the account.

15 (1) The purpose of the liability accounts is to: (a) Expeditiously
16 pay legal liabilities of the state resulting from tortious conduct; (b)
17 promote risk control through a cost allocation system which recognizes
18 agency loss experience, levels of self-retention, and levels of risk

1 exposure; and (c) establish an actuarially sound system to pay incurred
2 losses, within defined limits.

3 (2) The liability accounts shall be used to pay claims for injury
4 and property damages exclusive of legal defense costs and agency-
5 retained expenses otherwise budgeted.

6 (3) No money shall be paid from the liability accounts unless all
7 proceeds available to the claimant from any valid and collectible
8 liability insurance shall have been exhausted and unless:

9 (a) The claim shall have been reduced to final judgment in a court
10 of competent jurisdiction; or

11 (b) The claim has been approved for payment.

12 (4) The liability accounts shall be financed through annual
13 premiums assessed to state agencies, based on sound actuarial
14 principles, and shall be for liability coverage in excess of agency-
15 budgeted self-retention levels.

16 (5) Annual premium levels shall be determined by the risk manager,
17 with the consultation and advice of the risk management advisory
18 committee and concurrence from the office of financial management. An
19 actuarial study shall be conducted to assist in determining the
20 appropriate level of funding.

21 (6) Disbursements from the liability accounts shall be made to the
22 claimant, or to the clerk of the court for judgments, upon written
23 request to the state treasurer from the risk manager.

24 (7) The director of the office of financial management may direct
25 agencies to transfer moneys from other funds and accounts to the
26 liability accounts if premiums are delinquent.

27 (8) ((The)) Neither liability account ((shall not)) may exceed
28 fifty percent of the actuarial value of ((the)) its outstanding
29 liability as determined annually by the office of risk management. If
30 ((the)) an account exceeds the maximum amount specified in this
31 section, premiums may be adjusted by the office of risk management in
32 order to maintain the account balance at the maximum limits. If, after
33 adjustment of premiums, the account balance remains above the limits
34 specified, the excess amount will be prorated back to the appropriate
35 funds.

36 **Sec. 2.** RCW 4.92.230 and 1989 c 419 s 7 are each amended to read
37 as follows:

1 (1) The director of the department of general administration shall
2 establish an ongoing risk management advisory committee. Members of
3 the committee may include but shall not be limited to representatives
4 of state agencies, institutions of higher education, local government,
5 or the private sector.

6 (2) The director of the department of general administration shall
7 serve as chair. The committee shall meet upon call of the chairperson
8 and shall adopt rules for the conduct of its business.

9 (3) The risk management advisory committee will provide guidance
10 in:

11 (a) Determining appropriate roles, responsibilities of the office
12 of risk management, and policies regarding state-wide risk management;

13 (b) Establishing premiums or other cost allocation systems;

14 (c) Determining appropriate programs and coverages for self-
15 insurance versus insurance;

16 (d) Developing risk retention pools; and

17 (e) Preparing recommendations for containment of risk exposures.

18 (4) The director shall establish a risk management advisory
19 subcommittee to provide guidance and represent the interests of the
20 transportation agencies in the transportation liability account.

21 **Sec. 3.** RCW 43.84.092 and 1994 c 2 s 6 (Initiative Measure No.
