SENATE BILL 5430

Passed Legislature - 1995 Regular Session

State of Washington 54th Legislature 1995 Regular Session

By Senators Prentice and Hale; by request of Insurance Commissioner

Read first time 01/23/95. Referred to Committee on Financial
Institutions & Housing.

1 AN ACT Relating to the capital and surplus requirements of
2 insurance companies; amending RCW 48.05.340; and adding new sections to
3 chapter 48.05 RCW.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** As used in sections 1 through 13 of this
6 act, these terms have the following meanings:

7 (1) "RBC" means risk-based capital.

8 (2) "NAIC" means the national association of insurance
9 commissioners.

10 (3) "Domestic insurer" means any insurance company domiciled in
11 this state.

12 (4) "Foreign or alien insurer" means any insurance company that is
13 licensed to do business in this state under this chapter but is not
14 domiciled in this state.

15 (5) "Life and disability insurer" means any insurance company
16 authorized to write only life insurance, disability insurance, or both,
17 as defined in chapter 48.11 RCW.

18 (6) "Property and casualty insurer" means any insurance company
19 authorized to write only property insurance, marine and transportation

1 insurance, general casualty insurance, vehicle insurance, or any
2 combination thereof, including disability insurance, as defined in
3 chapter 48.11 RCW.

4 (7) "Corrective order" means an order issued by the commissioner
5 specifying corrective actions that the commissioner has determined are
6 required.

7 (8) "Negative trend" means, with respect to a life insurer, a
8 disability insurer, or a life and disability insurer, the negative
9 trend over a period of time, as determined in accordance with the trend
10 test calculation included in the RBC instructions.

11 (9) "Adjusted RBC report" means an RBC report that has been
12 adjusted by the commissioner in accordance with section 2(5) of this
13 act.

14 (10) "RBC instructions" means the RBC report including risk-based
15 capital instructions adopted by the NAIC.

16 (11) "RBC level" means an insurer's company action level RBC,
17 regulatory action level RBC, authorized control level RBC, or mandatory
18 control level RBC where:

19 (a) "Company action level RBC" means, with respect to any insurer,
20 the product of 2.0 and its authorized control level RBC;

21 (b) "Regulatory action level RBC" means the product 1.5 and its
22 authorized control level RBC;

23 (c) "Authorized control level RBC" means the number determined
24 under the risk-based capital formula in accordance with the RBC
25 instructions; and

26 (d) "Mandatory control level RBC" means the product of .70 and the
27 authorized control level RBC.

28 (12) "RBC plan" means a comprehensive financial plan containing the
29 elements specified in section 3(2) of this act. If the commissioner
30 rejects the RBC plan, and it is revised by the insurer, with or without
31 the commissioner's recommendation, the plan shall be called the
32 "revised RBC plan."

33 (13) "RBC report" means the report required in section 2 of this
34 act.

35 (14) "Total adjusted capital" means the sum of:

36 (a) An insurer's statutory capital and surplus as determined in
37 accordance with statutory accounting applicable to the annual financial
38 statements required to be filed under RCW 48.05.250; and

39 (b) Other items, if any, as the RBC instructions may provide.

1 NEW SECTION. **Sec. 2.** (1) Every domestic insurer shall, on or
2 prior to the filing date, which is hereby established as March 1,
3 prepare and submit to the commissioner a report of its RBC levels as of
4 the end of the calendar year just ended, in a form and containing that
5 information required by the RBC instructions. In addition, every
6 domestic insurer shall file its RBC report:

7 (a) With the NAIC in accordance with the RBC instructions; and

8 (b) With the insurance commissioner in any state in which the
9 insurer is authorized to do business, if the insurance commissioner has
10 notified the insurer of its request in writing, in which case the
11 insurer shall file its RBC report not later than the later of:

12 (i) Fifteen days from the receipt of notice to file its RBC report
13 with that state; or

14 (ii) The filing date.

15 (2) A life and disability insurer's RBC shall be determined in
16 accordance with the formula set forth in the RBC instructions. The
17 formula shall take into account and may adjust for the covariance
18 between:

19 (a) The risk with respect to the insurer's assets;

20 (b) The risk of adverse insurance experience with respect to the
21 insurer's liabilities and obligations;

22 (c) The interest rate risk with respect to the insurer's business;
23 and

24 (d) All other business risks and other relevant risks as are set
25 forth in the RBC instructions; determined in each case by applying the
26 factors in the manner set forth in the RBC instructions.

27 (3) A property and casualty insurer's RBC shall be determined in
28 accordance with the formula set forth in the RBC instructions. The
29 formula shall take into account and may adjust for the covariance
30 between:

31 (a) Asset risk;

32 (b) Credit risk;

33 (c) Underwriting risk; and

34 (d) All other business risks and other relevant risks as are set
35 forth in the RBC instructions; determined in each case by applying the
36 factors in the manner set forth in the RBC instructions.

37 (4) An excess of capital over the amount produced by the RBC
38 requirements and the formulas, schedules, and instructions under
39 sections 1 through 13 of this act is desirable in the business of

1 insurance. Accordingly, insurers should seek to maintain capital above
2 the RBC levels required. Additional capital is used and useful in the
3 insurance business and helps to secure an insurer against various risks
4 inherent in, or affecting, the business of insurance and not accounted
5 for or only partially measured by the RBC requirements.

6 (5) If a domestic insurer files an RBC report that in the judgment
7 of the commissioner is inaccurate, then the commissioner shall adjust
8 the RBC report to correct the inaccuracy and shall notify the insurer
9 of the adjustment. The notice shall contain a statement of the reason
10 for the adjustment.

11 NEW SECTION. **Sec. 3.** (1) "Company action level event" means any
12 of the following events:

13 (a) The filing of an RBC report by an insurer indicating that:

14 (i) The insurer's total adjusted capital is greater than or equal
15 to its regulatory action level RBC, but less than its company action
16 level RBC; or

17 (ii) If a life and disability insurer, the insurer has total
18 adjusted capital that is greater than or equal to its company action
19 level RBC, but less than the product of its authorized control level
20 RBC and 2.5 and has a negative trend;

21 (b) The notification by the commissioner to the insurer of an
22 adjusted RBC report that indicates an event in (a) of this subsection,
23 provided the insurer does not challenge the adjusted RBC report under
24 section 7 of this act; or

25 (c) If, under section 7 of this act, an insurer challenges an
26 adjusted RBC report that indicates an event in (a) of this subsection,
27 the notification by the commissioner to the insurer that the
28 commissioner has, after a hearing, rejected the insurer's challenge.

29 (2) In the event of a company action level event, the insurer shall
30 prepare and submit to the commissioner an RBC plan that:

31 (a) Identifies the conditions that contribute to the company action
32 level event;

33 (b) Contains proposals of corrective actions that the insurer
34 intends to take and would be expected to result in the elimination of
35 the company action level event;

36 (c) Provides projections of the insurer's financial results in the
37 current year and at least the four succeeding years, both in the
38 absence of proposed corrective actions and giving effect to the

1 proposed corrective actions, including projections of statutory
2 operating income, net income, capital, and surplus. The projections
3 for both new and renewal business might include separate projections
4 for each major line of business and separately identify each
5 significant income, expense, and benefit component;

6 (d) Identifies the key assumptions impacting the insurer's
7 projections and the sensitivity of the projections to the assumptions;
8 and

9 (e) Identifies the quality of, and problems associated with, the
10 insurer's business, including but not limited to its assets,
11 anticipated business growth and associated surplus strain,
12 extraordinary exposure to risk, mix of business, and use of
13 reinsurance, if any, in each case.

14 (3) The RBC plan shall be submitted:

15 (a) Within forty-five days of the company action level event; or

16 (b) If the insurer challenges an adjusted RBC report under section
17 7 of this act, within forty-five days after notification to the insurer
18 that the commissioner has, after a hearing, rejected the insurer's
19 challenge.

20 (4) Within sixty days after the submission by an insurer of an RBC
21 plan to the commissioner, the commissioner shall notify the insurer
22 whether the RBC plan may be implemented or is, in the judgment of the
23 commissioner, unsatisfactory. If the commissioner determines the RBC
24 plan is unsatisfactory, the notification to the insurer shall set forth
25 the reasons for the determination, and may set forth proposed revisions
26 that will render the RBC plan satisfactory. Upon notification from the
27 commissioner, the insurer shall prepare a revised RBC plan, that may
28 incorporate by reference any revisions proposed by the commissioner,
29 and shall submit the revised RBC plan to the commissioner:

30 (a) Within forty-five days after the notification from the
31 commissioner; or

32 (b) If the insurer challenges the notification from the
33 commissioner under section 7 of this act, within forty-five days after
34 a notification to the insurer that the commissioner has, after a
35 hearing, rejected the insurer's challenge.

36 (5) In the event of a notification by the commissioner to an
37 insurer that the insurer's RBC plan or revised RBC plan is
38 unsatisfactory, the commissioner may, subject to the insurer's rights

1 to a hearing under section 7 of this act, specify in the notification
2 that the notification constitutes a regulatory action level event.

3 (6) Every domestic insurer that files an RBC plan or revised RBC
4 plan with the commissioner shall file a copy of the RBC plan or revised
5 RBC plan with the insurance commissioner in any state in which the
6 insurer is authorized to do business if:

7 (a) The state has an RBC provision substantially similar to section
8 8(1) of this act; and

9 (b) The insurance commissioner of that state has notified the
10 insurer of its request for the filing in writing, in which case the
11 insurer shall file a copy of the RBC plan or revised RBC plan in that
12 state no later than the later of:

13 (i) Fifteen days after the receipt of notice to file a copy of its
14 RBC plan or revised plan with the state; or

15 (ii) The date on which the RBC plan or revised RBC plan is filed
16 under subsections (3) and (4) of this section.

17 NEW SECTION. **Sec. 4.** (1) "Regulatory action level event" means,
18 with respect to any insurer, any of the following events:

19 (a) The filing of an RBC report by the insurer indicating that the
20 insurer's total adjusted capital is greater than or equal to its
21 authorized control level RBC but less than its regulatory action level
22 RBC;

23 (b) The notification by the commissioner to an insurer of an
24 adjusted RBC report that indicates the event in (a) of this subsection,
25 provided the insurer does not challenge the adjusted RBC report under
26 section 7 of this act;

27 (c) If, under section 7 of this act, the insurer challenges an
28 adjusted RBC report that indicates the event in (a) of this subsection,
29 the notification by the commissioner to the insurer that the
30 commissioner has, after a hearing, rejected the insurer's challenge;

31 (d) The failure of the insurer to file an RBC report by the filing
32 date, unless the insurer has provided an explanation for such failure
33 that is satisfactory to the commissioner and has cured the failure
34 within ten days after the filing date;

35 (e) The failure of the insurer to submit an RBC plan to the
36 commissioner within the time period set forth in section 3(3) of this
37 act;

38 (f) Notification by the commissioner to the insurer that:

1 (i) The RBC plan or revised RBC plan submitted by the insurer is,
2 in the judgment of the commissioner, unsatisfactory; and

3 (ii) The notification constitutes a regulatory action level event
4 with respect to the insurer, provided the insurer has not challenged
5 the determination under section 7 of this act;

6 (g) If, under section 7 of this act, the insurer challenges a
7 determination by the commissioner under (f) of this subsection, the
8 notification by the commissioner to the insurer that the commissioner
9 has, after a hearing, rejected the challenge;

10 (h) Notification by the commissioner to the insurer that the
11 insurer has failed to adhere to its RBC plan or revised RBC plan, but
12 only if the failure has a substantial adverse effect on the ability of
13 the insurer to eliminate the company action level event in accordance
14 with its RBC plan or revised RBC plan and the commissioner has so
15 stated in the notification, provided the insurer has not challenged the
16 determination under section 7 of this act; or

17 (i) If, under section 7 of this act, the insurer challenges a
18 determination by the commissioner under (h) of this subsection, the
19 notification by the commissioner to the insurer that the commissioner
20 has, after a hearing, rejected the challenge.

21 (2) In the event of a regulatory action level event the
22 commissioner shall:

23 (a) Require the insurer to prepare and submit an RBC plan or, if
24 applicable, a revised RBC plan;

25 (b) Perform the examination or analysis the commissioner deems
26 necessary of the assets, liabilities, and operations of the insurer
27 including a review of its RBC plan or revised RBC plan; and

28 (c) Subsequent to the examination or analysis, issue an order
29 specifying those corrective actions the commissioner determines are
30 required.

31 (3) In determining corrective actions, the commissioner may take
32 into account those factors deemed relevant with respect to the insurer
33 based upon the commissioner's examination or analysis of the assets,
34 liabilities, and operations of the insurer, including, but not limited
35 to, the results of any sensitivity tests undertaken under the RBC
36 instructions. The RBC plan or revised RBC plan shall be submitted:

37 (a) Within forty-five days after the occurrence of the regulatory
38 action level event;

1 (b) If the insurer challenges an adjusted RBC report under section
2 7 of this act, and the challenge is not frivolous in the judgment of
3 the commissioner, within forty-five days after the notification to the
4 insurer that the commissioner has, after a hearing, rejected the
5 insurer's challenge; or

6 (c) If the insurer challenges a revised RBC plan under section 7 of
7 this act, and the challenge is not frivolous in the judgment of the
8 commissioner, within forty-five days after the notification to the
9 insurer that the commissioner has, after a hearing, rejected the
10 insurer's challenge.

11 (4) The commissioner may retain actuaries and investment experts
12 and other consultants as may be necessary in the judgment of the
13 commissioner to review the insurer's RBC plan or revised RBC plan,
14 examine or analyze the assets, liabilities, and operations of the
15 insurer and formulate the corrective order with respect to the insurer.
16 The fees, costs, and expenses relating to consultants shall be borne by
17 the affected insurer or other party as directed by the commissioner.

18 NEW SECTION. **Sec. 5.** (1) "Authorized control level event" means
19 any of the following events:

20 (a) The filing of an RBC report by the insurer indicating that the
21 insurer's total adjusted capital is greater than or equal to its
22 mandatory control level RBC but less than its authorized control level
23 RBC;

24 (b) The notification by the commissioner to the insurer of an
25 adjusted RBC report that indicates the event in (a) of this subsection,
26 provided the insurer does not challenge the adjusted RBC report under
27 section 7 of this act;

28 (c) If, under section 7 of this act, the insurer challenges an
29 adjusted RBC report that indicates the event in (a) of this subsection,
30 notification by the commissioner to the insurer that the commissioner
31 has, after a hearing, rejected the insurer's challenge;

32 (d) The failure of the insurer to respond, in a manner satisfactory
33 to the commissioner, to a corrective order, provided the insurer has
34 not challenged the corrective order under section 7 of this act; or

35 (e) If the insurer has challenged a corrective order under section
36 7 of this act and the commissioner has, after a hearing, rejected the
37 challenge or modified the corrective order, the failure of the insurer
38 to respond, in a manner satisfactory to the commissioner, to the

1 corrective order subsequent to rejection or modification by the
2 commissioner.

3 (2) In the event of an authorized control level event with respect
4 to an insurer, the commissioner shall:

5 (a) Take those actions required under section 4 of this act
6 regarding an insurer with respect to which a regulatory action level
7 event has occurred; or

8 (b) If the commissioner deems it to be in the best interests of the
9 policyholders and creditors of the insurer and of the public, take
10 those actions necessary to cause the insurer to be placed under
11 regulatory control under chapter 48.31 RCW. In the event the
12 commissioner takes these actions, the authorized control level event is
13 sufficient grounds for the commissioner to take action under chapter
14 48.31 RCW, and the commissioner has the rights, powers, and duties with
15 respect to the insurer as are set forth in chapter 48.31 RCW. In the
16 event the commissioner takes actions under this subsection pursuant to
17 an adjusted RBC report, the insurer is entitled to those protections
18 afforded to insurers under RCW 48.31.121 pertaining to summary
19 proceedings.

20 NEW SECTION. **Sec. 6.** (1) "Mandatory control level event" means
21 any of the following events:

22 (a) The filing of an RBC report indicating that the insurer's total
23 adjusted capital is less than its mandatory control level RBC;

24 (b) Notification by the commissioner to the insurer of an adjusted
25 RBC report that indicates the event in (a) of this subsection, provided
26 the insurer does not challenge the adjusted RBC report under section 7
27 of this act; or

28 (c) If, under section 7 of this act, the insurer challenges an
29 adjusted RBC report that indicates the event in (a) of this subsection,
30 notification by the commissioner to the insurer that the commissioner
31 has, after a hearing, rejected the insurer's challenge.

32 (2) In the event of a mandatory control level event:

33 (a) With respect to a life and disability insurer, the commissioner
34 shall take those actions necessary to place the insurer under
35 regulatory control under chapter 48.31 RCW. In that event, the
36 mandatory control level event is sufficient grounds for the
37 commissioner to take action under chapter 48.31 RCW, and the
38 commissioner has the rights, powers, and duties with respect to the

1 insurer as are set forth in chapter 48.31 RCW. If the commissioner
2 takes actions pursuant to an adjusted RBC report, the insurer is
3 entitled to the protections of RCW 48.31.121 pertaining to summary
4 proceedings. However, the commissioner may forego action for up to
5 ninety days after the mandatory control level event if the commissioner
6 finds there is a reasonable expectation that the mandatory control
7 level event may be eliminated within the ninety-day period.

8 (b) With respect to a property and casualty insurer, the
9 commissioner shall take those actions necessary to place the insurer
10 under regulatory control under chapter 48.31 RCW, or, in the case of an
11 insurer that is writing no business and that is running-off its
12 existing business, may allow the insurer to continue its run-off under
13 the supervision of the commissioner. In either event, the mandatory
14 control level event is sufficient grounds for the commissioner to take
15 action under chapter 48.31 RCW and the commissioner has the rights,
16 powers, and duties with respect to the insurer as are set forth in
17 chapter 48.31 RCW. If the commissioner takes actions pursuant to an
18 adjusted RBC report, the insurer is entitled to the protections of RCW
19 48.31.121 pertaining to summary proceedings. However, the commissioner
20 may forego action for up to ninety days after the mandatory control
21 level event if the commissioner finds there is a reasonable expectation
22 that the mandatory control level event may be eliminated within the
23 ninety-day period.

24 NEW SECTION. **Sec. 7.** (1) Upon notification to an insurer by the
25 commissioner of any of the following, the insurer shall have the right
26 to a hearing, in accordance with chapters 48.04 and 34.05 RCW, at which
27 the insurer may challenge any determination or action by the
28 commissioner:

29 (a) Of an adjusted RBC report; or

30 (b)(i) That the insurer's RBC plan or revised RBC plan is
31 unsatisfactory; and

32 (ii) The notification constitutes a regulatory action level event
33 with respect to such insurer; or

34 (c) That the insurer has failed to adhere to its RBC plan or
35 revised RBC plan and that such failure has a substantial adverse effect
36 on the ability of the insurer to eliminate the company action level
37 event with respect to the insurer in accordance with its RBC plan or
38 revised RBC plan; or

1 (d) Of a corrective order with respect to the insurer.

2 (2) The insurer shall notify the commissioner of its request for a
3 hearing within five days after the notification by the commissioner
4 under this section. Upon receipt of the insurer's request for a
5 hearing, the commissioner shall set a date for the hearing. The date
6 shall be no less than ten nor more than thirty days after the date of
7 the insurer's request.

8 NEW SECTION. **Sec. 8.** (1) All RBC reports, to the extent the
9 information is not required to be set forth in a publicly available
10 annual statement schedule, and RBC plans, including the results or
11 report of any examination or analysis of an insurer and any corrective
12 order issued by the commissioner, with respect to any domestic insurer
13 or foreign insurer that are filed with the commissioner constitute
14 information that might be damaging to the insurer if made available to
15 its competitors, and therefore shall be kept confidential by the
16 commissioner. This information shall not be made public or be subject
17 to subpoena, other than by the commissioner and then only for the
18 purpose of enforcement actions taken by the commissioner.

19 (2) The comparison of an insurer's total adjusted capital to any of
20 its RBC levels is a regulatory tool that may indicate the need for
21 possible corrective action with respect to the insurer, and is not a
22 means to rank insurers generally. Therefore, except as otherwise
23 required under the provisions of sections 1 through 13 of this act, the
24 making, publishing, disseminating, circulating, or placing before the
25 public, or causing, directly or indirectly to be made, published,
26 disseminated, circulated, or placed before the public, in a newspaper,
27 magazine, or other publication, or in the form of a notice, circular,
28 pamphlet, letter, or poster, or over any radio or television station,
29 or in any other way, an advertisement, announcement, or statement
30 containing an assertion, representation, or statement with regard to
31 the RBC levels of any insurer, or of any component derived in the
32 calculation, by any insurer, agent, broker, or other person engaged in
33 any manner in the insurance business would be misleading and is
34 therefore prohibited. However, if any materially false statement with
35 respect to the comparison regarding an insurer's total adjusted capital
36 to its RBC levels, or any of them, or an inappropriate comparison of
37 any other amount to the insurer's RBC levels is published in any
38 written publication and the insurer is able to demonstrate to the

1 commissioner with substantial proof the falsity of such statement, or
2 the inappropriateness, as the case may be, then the insurer may publish
3 an announcement in a written publication if the sole purpose of the
4 announcement is to rebut the materially false statement.

5 (3) The RBC instructions, RBC reports, adjusted RBC reports, RBC
6 plans, and revised RBC plans are solely for use by the commissioner in
7 monitoring the solvency of insurers and the need for possible
8 corrective action with respect to insurers and shall not be used by the
9 commissioner for ratemaking nor considered or introduced as evidence in
10 any rate proceeding nor used by the commissioner to calculate or derive
11 any elements of an appropriate premium level or rate of return for any
12 line of insurance that an insurer or any affiliate is authorized to
13 write.

14 NEW SECTION. **Sec. 9.** (1) The provisions of sections 1 through 13
15 of this act are supplemental to any other provisions of the laws of
16 this state, and shall not preclude or limit any other powers or duties
17 of the commissioner under those laws, including, but not limited to,
18 chapter 48.31 RCW.

19 (2) The commissioner may exempt any domestic property and casualty
20 insurer from sections 1 through 13 of this act, if the insurer:

21 (a) Writes direct business only in this state;

22 (b) Writes direct annual premiums of two million dollars or less;
23 and

24 (c) Assumes no reinsurance in excess of five percent of direct
25 premiums written.

26 NEW SECTION. **Sec. 10.** (1) Any foreign or alien insurer shall,
27 upon the written request of the commissioner, submit to the
28 commissioner an RBC report as of the end of the calendar year just
29 ended by the later of:

30 (a) The date an RBC report would be required to be filed by a
31 domestic insurer under section 2 of this act; or

32 (b) Fifteen days after the request is received by the foreign or
33 alien insurer. Any foreign or alien insurer shall, at the written
34 request of the commissioner, promptly submit to the commissioner a copy
35 of any RBC plan that is filed with the insurance commissioner of any
36 other state.

1 (2) In the event of a company action level event, regulatory action
2 level event, or authorized control level event with respect to any
3 foreign or alien insurer as determined under the RBC statute applicable
4 in the state of domicile of the insurer or, if no RBC statute is in
5 force in that state, under the provisions of sections 1 through 13 of
6 this act, if the insurance commissioner of the state of domicile of the
7 foreign or alien insurer fails to require the foreign or alien insurer
8 to file an RBC plan in the manner specified under that state's RBC
9 statute, the commissioner may require the foreign or alien insurer to
10 file an RBC plan. In this event, the failure of the foreign or alien
11 insurer to file an RBC plan is grounds to order the insurer to cease
12 and desist from writing new insurance business in this state.

13 (3) In the event of a mandatory control level event with respect to
14 any foreign or alien insurer, if no domiciliary receiver has been
15 appointed with respect to the foreign or alien insurer under the
16 rehabilitation and liquidation statute applicable in the state of
17 domicile of the foreign or alien insurer, the commissioner may apply
18 for an order under RCW 48.31.080 or 48.31.090 to conserve the assets
19 within this state of foreign or alien insurers, and the occurrence of
20 the mandatory control level event is considered adequate grounds for
21 the application.

22 NEW SECTION. **Sec. 11.** There is no liability on the part of, and
23 no cause of action may arise against, the commissioner or insurance
24 department or its employees or agents for any action taken by them in
25 the performance of their powers and duties under sections 1 through 13
26 of this act.

27 NEW SECTION. **Sec. 12.** All notices by the commissioner to an
28 insurer that may result in regulatory action are effective upon
29 dispatch if transmitted by registered or certified mail, or in the case
30 of any other transmission are effective upon the insurer's receipt of
31 the notice.

32 NEW SECTION. **Sec. 13.** For RBC reports required by property and
33 casualty insurers for 1995, the following requirements apply in lieu of
