Secretary

FILED

Governor of the State of Washington

**Secretary of State
State of Washington**

SENATE BILL 5544

AS AMENDED BY THE HOUSE

Passed Legislature - 1995 Regular Session

State of Washington 54th Legislature 1995 Regular Session

By Senators Owen, Rinehart, Spanel, Haugen, C. Anderson and Fraser

Read first time 01/26/95. Referred to Committee on Natural Resources.

1 AN ACT Relating to ocean resources; and amending RCW 43.143.010.

2 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

3 **Sec. 1.** RCW 43.143.010 and 1989 1st ex.s. c 2 s 9 are each amended
4 to read as follows:

5 (1) The purpose of this chapter is to articulate policies and
6 establish guidelines for the exercise of state and local management
7 authority over Washington's coastal waters, seabed, and shorelines.

8 (2) There shall be no leasing of Washington's tidal or submerged
9 lands extending from mean high tide seaward three miles along the
10 Washington coast from Cape Flattery south to Cape Disappointment, nor
11 in Grays Harbor, Willapa Bay, and the Columbia river downstream from
12 the Longview bridge, for purposes of oil or gas exploration,
13 development, or production until at least July 1, (~~(1995))~~ 2000.
14 During the (~~(1995))~~ 2000 legislative session, the legislature shall
15 determine whether the moratorium on leasing should be extended past
16 July 1, (~~(1995))~~ 2000. This determination shall be based on the
17 information available at that time, including the analysis described in
18 RCW 43.143.040. If the legislature does not extend the moratorium on
19 leasing, the moratorium will end on July 1, (~~(1995))~~ 2000. At any time

1 that oil or gas leasing, exploration, and development are allowed to
2 occur, these activities shall be required to meet or exceed the
3 standards and criteria contained in RCW 43.143.030.

4 (3) When conflicts arise among uses and activities, priority shall
5 be given to resource uses and activities that will not adversely impact
6 renewable resources over uses which are likely to have an adverse
7 impact on renewable resources.

8 (4) It is the policy of the state of Washington to actively
9 encourage the conservation of liquid fossil fuels, and to explore
10 available methods of encouraging such conservation.

11 (5) It is not currently the intent of the legislature to include
12 recreational uses or currently existing commercial uses involving
13 fishing or other renewable marine or ocean resources within the uses
14 and activities which must meet the planning and review criteria set
15 forth in RCW 43.143.030. It is not the intent of the legislature,
16 however, to permanently exclude these uses from the requirements of RCW
17 43.143.030. If information becomes available which indicates that such
18 uses should reasonably be covered by the requirements of RCW
19 43.143.030, the permitting government or agency may require compliance
20 with those requirements, and appeals of that decision shall be handled
21 through the established appeals procedure for that permit or approval.

22 (6) The state shall participate in federal ocean and marine
23 resource decisions to the fullest extent possible to ensure that the
24 decisions are consistent with the state's policy concerning the use of
25 those resources.

--- END ---
