9 otherwise facilitate the review and audit. Information so gained shall
10 not be subject to discovery or introduction into evidence in any civil
11 action pursuant to RCW 70.41.200(3).

12 **Sec. 5.** RCW 18.130.060 and 1991 c 3 s 269 are each amended to read
13 as follows:

14 In addition to the authority specified in RCW 18.130.050, the
15 secretary has the following additional authority:

16 (1) To employ such investigative, administrative, and clerical
17 staff as necessary for the enforcement of this chapter;

18 (2) Upon the request of a board, to appoint not more than three pro
19 tem members for the purpose of participating as members of one or more
20 committees of the board in connection with proceedings specifically
21 identified in the request. Individuals so appointed must meet the same
22 minimum qualifications as regular members of the board. While serving
23 as board members pro tem, persons so appointed have all the powers,
24 duties, and immunities, and are entitled to the emoluments, including
25 travel expenses in accordance with RCW 43.03.050 and 43.03.060, of
26 regular members of the board. The chairperson of a committee shall be
27 a regular member of the board appointed by the board chairperson.
28 Committees have authority to act as directed by the board with respect
29 to all matters concerning the review, investigation, and adjudication
30 of all complaints, allegations, charges, and matters subject to the
31 jurisdiction of the board. The authority to act through committees
32 does not restrict the authority of the board to act as a single body at
33 any phase of proceedings within the board's jurisdiction. Board
34 committees may make interim orders and issue final decisions with
35 respect to matters and cases delegated to the committee by the board.
36 Final decisions may be appealed as provided in chapter 34.05 RCW, the
37 Administrative Procedure Act;

1 (3) To establish fees to be paid for witnesses, expert witnesses,

4 34.05.446;

6 of the disciplining authority and to issue subpoenas, administer oaths,
7 and take depositions in the course of conducting those investigations
8 and practice reviews at the direction of the disciplining authority;

9 (5) To have the health professions regulatory program establish a
10 system to recruit potential public members, to review the
11 qualifications of such potential members, and to provide orientation to
12 those public members appointed pursuant to law by the governor or the
13 secretary to the boards and commissions specified in RCW
14 18.130.040(2)(b), and to the advisory committees and councils for
15 professions specified in RCW 18.130.040(2)(a).

16 **Sec. 6.** RCW 18.130.095 and 1993 c 367 s 2 are each amended to read
17 as follows:

18 (1) The secretary, in consultation with the disciplining
19 authorities, shall develop uniform procedural rules to respond to
20 public inquiries concerning complaints and their disposition, active
21 investigations, statement of charges, findings of fact, and final
22 orders involving a licensee, applicant, or unlicensed person. The
23 uniform procedural rules adopted under this subsection apply to all
24 adjudicative proceedings conducted under this chapter and shall include
25 provisions for the establishing time (~~lines~~) periods for assessment,
26 investigation, charging, discovery, settlement, and (~~scheduling~~
27 hearings)) adjudication of complaints, and shall include enforcement
28 provisions for violations of the specific time periods by the
29 department, the disciplining authority, and the respondent.

30 (2) The uniform procedures for conducting investigations shall
31 provide that prior to taking a written statement:

32 (a) For violation of this chapter, the investigator shall inform
33 such person, in writing of: (i) The nature of the complaint; (ii) that
34 the person may consult with legal counsel at his or her expense prior
35 to making a statement; and (iii) that any statement that the person
36 makes may be used in an adjudicative proceeding conducted under this
37 chapter; and

1 (b) From a witness or potential witness in an investigation under
2 this chapter, the investigator shall inform the person, in writing,
3 that the statement may be released to the licensee, applicant, or
4 unlicensed person under investigation if a statement of charges is
5 issued.

6 (3) Only upon the authorization of a ~~((disciplinary))~~ disciplining
7 authority identified in RCW 18.130.040(2)(b), the secretary, or his or
8 her designee, may serve as the presiding officer for any disciplinary
9 proceedings of the ~~((disciplinary))~~ disciplining authority authorized
10 under this chapter. Except as provided in RCW 18.130.050(8), the
11 presiding officer shall not vote on or make any final decision. All
12 functions performed by the presiding officer shall be subject to
13 chapter 34.05 RCW. The secretary, in consultation with the
14 ~~((disciplinary))~~ disciplining authorities, shall adopt procedures for
15 implementing this subsection. ~~((This subsection shall not apply to the~~
16 ~~board of funeral directors and embalmers.))~~

17 (4) The uniform procedural rules shall be adopted by all
18 disciplining authorities listed in RCW 18.130.040(2), and shall be used
19 for all adjudicative proceedings conducted under this chapter, as
20 defined by chapter 34.05 RCW. The uniform procedural rules shall
21 address the use of a presiding officer authorized in subsection (3) of
22 this section to determine and issue decisions on all legal issues and
23 motions arising during adjudicative proceedings.

24 **Sec. 7.** RCW 18.130.098 and 1994 sp.s. c 9 s 604 are each amended
25 to read as follows:

26 (1) The settlement process must be substantially uniform for
27 licensees governed by ~~((regulatory entities having authority))~~
28 disciplining authorities under this chapter. The disciplinary
29 authorities may also use alternative dispute resolution to resolve
30 complaints during adjudicative proceedings.

31 (2) Disclosure of the identity of reviewing disciplining authority
32 members who participate in the settlement process is available to the
33 respondent~~((s))~~ or ~~((their legal))~~ his or her representative upon
34 request.

35 (3) The settlement conference will occur only if a settlement is
36 not achieved through written documents. The respondent~~((s))~~ will have
37 the opportunity to conference either by phone or in person with the
38 reviewing disciplining authority member if the respondent chooses. The

1 respondent((s)) may also have ((their)) his or her attorney conference
2 either by phone or in person with the reviewing disciplining authority
3 member without the respondent being present personally.

4 (4) If the respondent wants to meet in person with the reviewing
5 disciplining authority member, he or she will travel to the reviewing
6 ((disciplinary)) disciplining authority member and have such a
7 conference with ((the attorney general)) a department representative in
8 attendance either by phone or in person.

9 **Sec. 8.** RCW 18.130.170 and 1987 c 150 s 6 are each amended to read
10 as follows:

11 (1) If the disciplining authority believes a license holder or
12 applicant may be unable to practice with reasonable skill and safety to
13 consumers by reason of any mental or physical condition, a statement of
14 charges in the name of the disciplining authority shall be served on
15 the license holder or applicant and notice shall also be issued
16 providing an opportunity for a hearing. The hearing shall be limited
17 to the sole issue of the capacity of the license holder or applicant to
18 practice with reasonable skill and safety. If the disciplining
19 authority determines that the license holder or applicant is unable to
20 practice with reasonable skill and safety for one of the reasons stated
21 in this subsection, the disciplining authority shall impose such
22 sanctions under RCW 18.130.160 as is deemed necessary to protect the
23 public.

24 (2)(a) In investigating or adjudicating a complaint or report that
25 a license holder or applicant may be unable to practice with reasonable
26 skill or safety by reason of any mental or physical condition, the
27 disciplining authority may require a license holder or applicant to
28 submit to a mental or physical examination by one or more licensed or
29 certified health professionals designated by the disciplining
30 authority. The license holder or applicant shall be provided written
31 notice of the disciplining authority's intent to order a mental or
32 physical examination, which notice shall include: (i) A statement of
33 the specific conduct, event, or circumstances justifying an
34 examination; (ii) a summary of the evidence supporting the disciplining
35 authority's concern that the license holder or applicant may be unable
36 to practice with reasonable skill and safety by reason of a mental or
37 physical condition, and the grounds for believing such evidence to be
38 credible and reliable; (iii) a statement of the nature, purpose, scope,

1 and content of the intended examination; (iv) a statement that the
2 license holder or applicant has the right to respond in writing within
3 twenty days to challenge the disciplining authority's grounds for
4 ordering an examination or to challenge the manner or form of the
5 examination; and (v) a statement that if the license holder or
6 applicant timely responds to the notice of intent, then the license
7 holder or applicant will not be required to submit to the examination
8 while the response is under consideration.

9 (b) Upon submission of a timely response to the notice of intent
10 to order a mental or physical examination, the license holder or
11 applicant shall have an opportunity to respond to or refute such an
12 order by submission of evidence or written argument or both. The
13 evidence and written argument supporting and opposing the mental or
14 physical examination shall be reviewed by either a panel of the
15 disciplining authority members who have not been involved with the
16 allegations against the license holder or applicant or a neutral
17 decision maker approved by the disciplining authority. The reviewing
18 panel of the disciplining authority or the approved neutral decision
19 maker may, in its discretion, ask for oral argument from the parties.
20 The reviewing panel of the disciplining authority or the approved
21 neutral decision maker shall prepare a written decision as to whether:
22 There is reasonable cause to believe that the license holder or
23 applicant may be unable to practice with reasonable skill and safety by
24 reason of a mental or physical condition, or the manner or form of the
25 mental or physical examination is appropriate, or both.

26 (c) Upon receipt by the disciplining authority of the written
27 decision, or upon the failure of the license holder or applicant to
28 timely respond to the notice of intent, the disciplining authority may
29 issue an order requiring the license holder or applicant to undergo a
30 mental or physical examination. All such mental or physical
31 examinations shall be narrowly tailored to address only the alleged
32 mental or physical condition and the ability of the license holder or
33 applicant to practice with reasonable skill and safety. An order of
34 the disciplining authority requiring the license holder or applicant to
35 undergo a mental or physical examination is not a final order for
36 purposes of appeal. The cost of the examinations ordered by the
37 disciplining authority shall be paid out of the health professions
38 account. In addition to any examinations ordered by the disciplining
39 authority, the licensee may submit physical or mental examination

1 reports from licensed or certified health professionals of the license
2 holder's or applicant's choosing and expense. ((Failure of a license
3 holder or applicant to submit to examination when directed constitutes
4 grounds for immediate suspension or denial of the license, consequent
5 upon which a default and final order may be entered without the taking
6 of testimony or presentations of evidence, unless the failure was due
7 to circumstances beyond the person's control.))

8 (d) If the disciplining authority finds that a license holder or
9 applicant has failed to submit to a properly ordered mental or physical
10 examination, then the disciplining authority may order appropriate
11 action or discipline under RCW 18.130.180(9), unless the failure was
12 due to circumstances beyond the person's control. However, no such
13 action or discipline may be imposed unless the license holder or
14 applicant has had the notice and opportunity to challenge the
15 disciplining authority's grounds for ordering the examination, to
16 challenge the manner and form, to assert any other defenses, and to
17 have such challenges or defenses considered by either a panel of the
18 disciplining authority members who have not been involved with the
19 allegations against the license holder or applicant or a neutral
20 decision maker approved by the disciplining authority, as previously
21 set forth in this section. Further, the action or discipline ordered
22 by the disciplining authority shall not be more severe than a
23 suspension of the license, certification, registration or application
24 until such time as the license holder or applicant complies with the
25 properly ordered mental or physical examination.

26 (e) Nothing in this section shall restrict the power of a
27 disciplining authority to act in an emergency under RCW 34.05.422(4),
28 34.05.479, and 18.130.050(7).

29 (f) A determination by a court of competent jurisdiction that a
30 license holder or applicant is mentally incompetent or mentally ill is
31 presumptive evidence of the license holder's or applicant's inability
32 to practice with reasonable skill and safety. An individual affected
33 under this section shall at reasonable intervals be afforded an
34 opportunity, at his or her expense, to demonstrate that the individual
35 can resume competent practice with reasonable skill and safety to the
36 consumer.

37 (3) For the purpose of subsection (2) of this section, an applicant
38 or license holder governed by this chapter, by making application,
39 practicing, or filing a license renewal, is deemed to have given

1 consent to submit to a mental, physical, or psychological examination
2 when directed in writing by the disciplining authority and further to
3 have waived all objections to the admissibility or use of the examining
4 health professional's testimony or examination reports by the
5 disciplining authority on the ground that the testimony or reports
6 constitute privileged communications.

7 **Sec. 9.** RCW 18.130.180 and 1993 c 367 s 22 are each amended to
8 read as follows:

9 The following conduct, acts, or conditions constitute
10 unprofessional conduct for any license holder or applicant under the
11 jurisdiction of this chapter:

12 (1) The commission of any act involving moral turpitude,
13 dishonesty, or corruption relating to the practice of the person's
14 profession, whether the act constitutes a crime or not. If the act
15 constitutes a crime, conviction in a criminal proceeding is not a
16 condition precedent to disciplinary action. Upon such a conviction,
17 however, the judgment and sentence is conclusive evidence at the
18 ensuing disciplinary hearing of the guilt of the license holder or
19 applicant of the crime described in the indictment or information, and
20 of the person's violation of the statute on which it is based. For the
21 purposes of this section, conviction includes all instances in which a
22 plea of guilty or nolo contendere is the basis for the conviction and
23 all proceedings in which the sentence has been deferred or suspended.
24 Nothing in this section abrogates rights guaranteed under chapter 9.96A
25 RCW;

26 (2) Misrepresentation or concealment of a material fact in
27 obtaining a license or in reinstatement thereof;

28 (3) All advertising which is false, fraudulent, or misleading;

29 (4) Incompetence, negligence, or malpractice which results in
30 injury to a patient or which creates an unreasonable risk that a
31 patient may be harmed. The use of a nontraditional treatment by itself
32 shall not constitute unprofessional conduct, provided that it does not
33 result in injury to a patient or create an unreasonable risk that a
34 patient may be harmed;

35 (5) Suspension, revocation, or restriction of the individual's
36 license to practice (~~the~~) any health care profession by competent
37 authority in any state, federal, or foreign jurisdiction, a certified

1 copy of the order, stipulation, or agreement being conclusive evidence
2 of the revocation, suspension, or restriction;
