

1009-S

Sponsor(s): House Committee on Agriculture & Ecology (originally sponsored by Representatives Chandler, Skinner, Kremen, Delvin, Schoesler, Mastin, Chappell, Grant, Foreman, D. Schmidt, Boldt, Clements and Stevens)

Brief Description: Establishing a commission on pesticide registration.

HB 1009-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Designates the membership of the commission, its authority, and its duties.

Revises the authority of the food and environmental quality laboratory at Washington State University at Tri-Cities.

Requires a report on the activities supported by the commission by December 15, 2002.

Makes an appropriation of one million dollars to carry out the purposes of the act.
