

1296

Sponsor(s): Representatives H. Sommers, Carlson and Sehlin; by request of Department of Retirement Systems

Brief Description: Making retirement contributions and payments.

HB 1296 - DIGEST

(AS OF HOUSE 2ND READING 3/8/95)

Declares that it is the responsibility of employers to accurately report their employees' compensation and service, and to ensure that all required member and employer contributions are transferred to the department of retirement systems.

Provides for billing the employee for past due member contributions when the employee should have had contributions transferred.
