Brief Description: Enacting the anticancer act of 1995.

HB 1546 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Directs the secretary of health to hold hearings to compile and summarize research linking abortion to breast cancer.

Makes it unlawful to perform an abortion on a woman without advising her of research linking abortion to breast cancer.

Declares that a minor cannot give informed consent to a substantial cancer risk.

Makes it unlawful for a person to perform an abortion without sufficient malpractice insurance to cover potential liability for reproductive cancers.
