Sponsor(s): House Committee on Agriculture & Ecology (originally sponsored by Representatives Mulliken, Mastin, Schoesler, Chandler, McMorris, Robertson, Honeyford and Elliot)

Brief Description: Specifying how surplus water may be spread to contiguous lands.

HB 1775-S.E - DIGEST

(AS OF HOUSE 2ND READING 3/9/95)

Establishes procedures for the transfer of the right to use surplus waters to other properties contiguous to the water right holder's own land.

Requires irrigation districts to consider the effect of transfers on the financial and operational integrity of the district.
