Brief Description: Creating a program to allow the superintendent of public instruction to pay parents whose children attend private schools.

**HB 2300 - DIGEST**

Specifies conditions to be met to attend any nonsectarian private school in the student's school district.

Places a percentage limitation on the number of students who may participate in the program.

Designates the appropriate amounts of payment to the parents and ultimately to the private schools.

Requires a comprehensive evaluation of the program by November 1, 1999.
