Sponsor(s): Representatives Chandler, Koster, Mastin, Honeyford, McMorris and Mulliken

Brief Description: Prohibiting a moratorium on new appropriations of Columbia or Snake river waters based on certain contingencies.

HB 2375 - DIGEST

(AS OF HOUSE 2ND READING 2/6/96)

Declares that the moratorium may not be based upon uncertainty as to whether sufficient waters would be available to satisfy the needs of any unqualified or speculative future instream uses of the waters of these rivers.
