Brief Description: Managing grazing lands.

HB 2578-S - DIGEST

(AS OF HOUSE 2ND READING 2/8/96)

Declares that it is the purpose of this act that all state agricultural, grazing, and grazeable woodlands shall be managed in keeping with the statutory and constitutional mandates under which each agency operates.

Encourages land managers to use an adaptive management approach in selecting and implementing practices that work towards meeting the standards based on the best available science and evaluation tools.
