

2584

Sponsor(s): Representatives McMorris and Romero; by request of
Employment Security Department

Brief Description: Authorizing the use of confidential data
collected by the employment security department to improve services
to the public.

HB 2584 - DIGEST

Declares that the act shall not be construed as giving
authority to the department to give, sell, or provide access to any
confidential data for any commercial purpose.

Increases the penalty for misuse or unauthorized release of
records or information.
