

2673

Sponsor(s): Representatives Silver, Ogden, Stevens and Horn; by request of Legislative Budget Committee

Brief Description: Changing provisions relating to the information services board.

**HB 2673 - DIGEST**

Transfers all powers, duties, and functions of the department of information services pertaining to information technology planning, policies, and standards and oversight of agency technology projects to the information services board.

Revises the duties and responsibilities of the board.

Repeals RCW 43.131.353 and 43.131.354.
