

2772-S

Sponsor(s): House Committee on Agriculture & Ecology (originally sponsored by Representatives Kessler and Buck)

Brief Description: Raising the amount that must be exceeded by the cost of dock construction for the construction to be considered substantial development under the Shoreline Management Act of 1971.

**HB 2772-S - DIGEST**

(DIGEST AS ENACTED)

Amends RCW 90.58.030 to increase the cost figure from two thousand five hundred dollars to ten thousand dollars in fresh waters.

Retains the two thousand five hundred dollar figure for salt waters.
