

2860-S

Sponsor(s): House Committee on Government Operations (originally sponsored by Representatives D. Schmidt, Reams and Blanton)

Brief Description: Limiting development regulations for utilities.

HB 2860-S - DIGEST

(AS OF HOUSE 2ND READING 2/7/96)

Declares that the regulations required by RCW 36.70A.060 as well as those required by RCW 36.70A.120 shall not apply to normal and routine maintenance or repair of existing utilities or relocation, installation, or construction of utilities when such activities are undertaken in improved public or private rights of ways pursuant to best management practices.
