Brief Description: Requiring a higher education technology plan.

HB 2929 - DIGEST

(SUBSTITUTED FOR - SEE 1ST SUB)

Finds that, in order to facilitate lifelong learning, educational technology systems must be coordinated among all educational sectors, with the other entities of federal, state, and local government, and be readily accessible to the general population of the state.

Establishes the higher education technology advisory committee with the purpose of working in coordination with other state education technology groups such as the educational technology advisory committee in RCW 28A.650.015.
