

5033-S

Sponsor(s): Senate Committee on Agriculture & Agricultural Trade & Development (originally sponsored by Senators Rasmussen, Morton, Snyder, Loveland, Newhouse, A. Anderson and Hochstatter)

Brief Description: Establishing a commission on pesticide registration.

SB 5033-S - DIGEST

(SUBSTITUTED FOR - SEE 2ND SUB)

Designates the membership of the commission, its authority, and its duties.

Revises the authority of the food and environmental quality laboratory at Washington State University at Tri-Cities.

Directs the commission to submit a report of the activities supported by the commission in December 2002.

Makes an appropriation of one million dollars to carry out the purposes of the act.
