Brief Description: Revising civil procedure for domestic relations actions.

SB 5213.E - DIGEST

(AS OF SENATE 2ND READING 3/14/95)

Specifies the information required to be included in a qualified medical child support order.

Specifies notice requirements when this state is acting as a responding state under chapter 26.21 RCW.

Provides that an administrative support order issued under chapter 74.20A RCW shall be superseded upon entry of a superior court order to the extent the court order is inconsistent with the administrative order.
