Brief Description: Regulating food industry safety.

SB 5336-S - DIGEST

(AS OF SENATE 2ND READING 3/11/95)

Declares that the purpose of the act is to: (1) Increase the frequency that food workers must demonstrate a knowledge of food safety principles;

(2) authorize the issuance of special food worker permits to the learning disabled for limited activities;

(3) develop food safety certification programs for food service managers; and

(4) authorize the collection of fees to support the food safety manager certification program.
