

5397

Sponsor(s): Senators Franklin and Pelz; by request of Department of Labor & Industries

Brief Description: Revising provisions regulating asbestos certification.

SB 5397.E - DIGEST

(DIGEST AS ENACTED)

Requires inspections to be conducted by persons meeting the accreditation requirements of the federal toxics substances control act.

Provides that a certified asbestos supervisor is not required for projects involving less than three square feet or three linear feet of asbestos-containing material.

Revises the requirements for supervision of work in an employer's facility conducted by the employees.
