

5545-S

Sponsor(s): Senate Committee on Labor, Commerce & Trade (originally sponsored by Senators Sheldon, Cantu, Rasmussen and Kohl)

Brief Description: Allowing businesses in this state to participate in the small business innovation research program.

SB 5545-S - DIGEST

(AS OF SENATE 2ND READING 3/13/95)

Directs the department to establish a small business innovation research assistance program to assist Washington small businesses to win phase I research program awards.

Authorizes the department to charge fees for this service.

Designates requirements to be met to be eligible for grant money.
