

5825-S

Sponsor(s): Senate Committee on Transportation (originally sponsored by Senators Fairley and Kohl)

Brief Description: Enhancing bicycle and pedestrian transportation.

SB 5825-S - DIGEST

(AS OF SENATE 2ND READING 3/13/95)

Provides for the funding and inclusion of bicycle and pedestrian facilities in transportation projects.

Authorizes bicycle and pedestrian facilities to be sited away from arterials and highways.

Requires a finding that no reasonable alternative to construction such as access management or transportation system management is feasible.

Repeals RCW 47.26.084.
